AUTUMN BULK LEAF COLLECTION 2019

A bulk leaf collection service is scheduled in your street for every 12th work day throughout April, May and June and your street is in Zone C over autumn 2019.

Your co-operation is greatly appreciated and we are encouraging all residents to take the following action:

- Please avoid parking your vehicle/s on the street on designated collection days.
- Please don't sweep sticks, branches and rocks from footpaths, nature strips and gardens into the gutter.
- Please spread out any raked leaves evenly along the gutter and road edge in your street and avoid raking them in high piles. Please place leaves from your yard into your green waste bin, as they are not for collection by machinery.
- Ensure neighbours and visitors parked on the street are aware of collection service days, when applicable.

Keep clear of leaf collection and street sweeping machinery at ALL times for safety reasons.

Your street will be serviced on the dates below. Please note that throughout April, May and June, this schedule replaces the online monthly residential sweeping calendar.
