RESIDENTIAL PARKING PERMIT
APPLICATION FORM - FOURTH OR ADDITIONAL PERMIT

Please read the information on this form regarding eligibility for permits.

This form may be used to apply for a fourth or additional specified vehicle residential parking permit.

This form must be submitted with the normal application form - which caters for up to three permits - unless you have already been issued with three permits in the past.

Information regarding entitlement to residential parking permits and the conditions that apply are set out in the standard application form.

In regard to applications for a fourth or additional specified vehicle permit, applicants should note that the following criteria apply:

1. The fourth or additional permit can only be for a specified vehicle whose owner resides at the property
2. There must be sufficient space available at the front of the property, that is, at least 23 metres at the kerb immediately adjacent to park vehicles legally
3. There must be capacity to enter or exit abutting driveways in a safe manner.

The form may be sent by mail or lodged over the counter at any Boroondara, Customer Service Centres. A period of up to 28 days should be allowed for processing.

Proof is required that the vehicle is registered at the address, such as a copy of the registration certificate for the vehicle. If the vehicle is allocated by an employer to the resident, proof is required from the employer to that effect.
