### Materials

- Candy canes
- Pair of Joggle eyes (one pair per candy cane)
- Pipe cleaners
- Small pom-poms (no bigger than 1cm diameter)
- Glow glue (recommended, can use craft glue)

### Instructions

1. Gather materials and equipment (don't forget to turn the hot glue gun on!)
2. To make the antlers:
  - a. Take your pipe cleaner and cut in to half. Take one half of the pipe and cut that into half again.
  - b. Take the longer piece of the pipe cleaner and fold softly in to a 'V'
  - c. Take one of smaller piece of pipe cleaner and wrap it in the middle of one of the sides of the 'V'. Fold each side of the small piece up to make the fork. Repeat on other side.
3. Take your candy cane and antlers. Place crook of the candy cane in the middle of the 'V' part of the antlers. Twist the antlers to secure around the candy cane.
4. Take the joggle eyes and pom-pom, along with your glue gun.
5. Attach the eyes with the glue midway on the crook.
6. Take the pom-pom and add a small amount of glue to it and attach it below the eyes in the centre.
7. Let dry and enjoy!
