Officers' recommendation

That Council resolve:

1. To receive and note the petitions.
2. To note that the Petition Number 1 has been referred to the Director City Planning for consideration.
3. To note that the Petition Number 2, 3, 4 has been referred to the Director Environment and Infrastructure for consideration.
4. That the first named signatory to the petition will receive a written response in due course advising of Council's action in response to the request.
