

Notice of Motion

Number 50

Subject: Declaration of a Climate Emergency

I intend to move the following motion at the Council meeting on 25th May 2020:

That Council resolve to:

1. Note strong community feedback supporting a greater commitment by Council to the environment as reflected in the Boroondara Community Plan, the 2019 Community Satisfaction Survey and the petition signed by more than 3,900 people in support of a climate emergency declaration.
2. Note we have reached a tipping point where a sense of urgency is required to mitigate the impacts of climate change given it may take years for counter measures to take effect.
3. Take a leadership role in relation to climate change by declaring a climate emergency.
4. Declare a climate emergency.
