### 7.1 Amendment C341boro - 12-14 Tannock Street, Balwyn North Heritage Overlay - Adoption of amendment

#### Abstract

On 17 August 2020, the Urban Planning Special Committee (UPSC) resolved to commence a planning scheme amendment to introduce a Heritage Overlay over the property at 12-14 Tannock Street, Balwyn North.

This resolution followed a community petition advocating for protection of the property.

On 7 September 2020, the Minister for Planning granted authorisation for Council to prepare and exhibit Amendment C341boro to the Boroondara Planning Scheme. The amendment underwent public exhibition between 3 December 2020 and 1 February 2021. Through the exhibition period, a total of 35 submissions were received.

On 12 April 2021, the UPDC resolved to refer all submissions received to an independent Planning Panel for consideration.

A Planning Panel was held on 15 and 16 June 2021 to consider submissions to Amendment C341boro. The Panel's report and recommendations were received by Council on 8 July 2021.

The Panel supported Council's position on Amendment C341boro and did not recommend any changes be made to the amendment.

On 6 August the UPDC resolve to refer Amendment C341boro to an Ordinary Meeting of Council for adoption.

It is now recommended Council resolve to formally adopt Amendment C341boro and submit the amendment to the Minister for Planning for approval and incorporation into the Boroondara Planning Scheme.

#### Officers' recommendation

That the Council resolve to:

1. Adopt Amendment C341boro to the Boroondara Planning Scheme, as shown in **Attachments 1 and 2**, in accordance with Section 29(1) of the *Planning and Environment Act 1987*.
2. Submit Amendment C341boro to the Minister for Planning for approval in accordance with Section 31(1) of the *Planning and Environment Act 1987*.
3. Authorise the Director City Planning to undertake minor administrative changes to the amendment and associated planning controls that do not change the intent of the controls.

## **1. Purpose**

The purpose of this report is to:

1. Seek a resolution from the Council to adopt Amendment C341boro and to submit the amendment to the Minister for Planning for approval.

## **2. Policy implications and relevance to community plan and council plan**

### **Council Plan 2017-2021**

The identification and protection of identified heritage places is consistent with the strategic objective to 'Protect the heritage and respect the character of the City to maintain amenity and liveability whilst recognising the need for appropriate, well-designed development for future generations' under Theme 4 - Neighbourhood Character and Heritage.

Specifically, it assists in implementing Council's commitment to '*Preserve the City's history and protect heritage properties and precincts by undertaking a municipal wide heritage review and introduce heritage overlays in the Boroondara Planning Scheme*' (Strategy 4.3).

The amendment will further assist Council in fulfilling its major initiative commitment to 'protect the City's heritage by continuing a municipal wide heritage assessment of all areas not currently subject to a Heritage Overlay in the Boroondara Planning Scheme'.

### **Boroondara Community Plan 2017-2027**

The Boroondara Community Plan 2017-27 sets out the 10 year vision for Boroondara's future based on values, aspirations and priorities important to the community.

The amendment implements Strategic Objective 4 of the Plan: *Protect the heritage and respect the character of the City to maintain amenity and liveability while recognising the need for appropriate, well-designed development for future generations.*

Specifically, the amendment implements the following strategies:

- **Strategy 4.3** - Preserve the City's history and protect heritage properties and precincts by undertaking a municipal-wide heritage review and introduce heritage overlays in the Boroondara Planning Scheme.
- **Strategy 4.6** - Engage with owners and developers to achieve a balance between development and protection of neighbourhood character, heritage and amenity.

## Heritage Action Plan 2016

The Heritage Action Plan was adopted by Council on 2 May 2016 and establishes the framework to guide Council's heritage work program as it relates to the identification, protection, management and promotion of Boroondara's heritage assets.

The amendment is consistent with the following action of the Heritage Action Plan 2016:

- Prepare and implement heritage controls to properties identified as 'individually significant' in the *Balwyn, Balwyn North and Deepdene Heritage Study*.

## Boroondara Planning Scheme

The amendment is consistent with the objectives of the Planning Policy Framework (PPF) and Local Planning Policy Framework (LPPF). In particular, it addresses the following Clauses:

- Clause 15.03-1 *Heritage Conservation* which seeks to 'ensure the conservation of places of heritage significance' by identifying, retaining and protecting places with identified heritage significance;
- Clause 21.04-5 - *Built Environment and Heritage* of the Municipal Strategic Statement which includes the objective 'to identify and protect all individual places, objects and precincts of cultural, aboriginal, urban and landscape significance'; and
- Clause 22.03-2 Heritage Policy which seeks to 'preserve 'significant' heritage places, protecting all significant heritage fabric including elements that cannot be seen from the public realm'.

Both the SPPF and LPPF seek to ensure the HO is applied to protect places of heritage significance in the City of Boroondara.

## Plan Melbourne 2017-2050

The identification, assessment and protection of places of local heritage significance are supported by Outcome 4 of *Plan Melbourne* which seeks to ensure 'Melbourne is a distinctive and liveable city with quality design and amenity'. Direction 4.4 recognises the contribution heritage makes to Melbourne's distinctiveness and liveability and advocates for the protection of Melbourne's heritage places.

In particular, Policy 4.4.1 recognises the need for 'continuous identification and review of currently unprotected heritage sites and targeted assessments of heritage sites in areas identified as likely to be subject to substantial change'.

The amendment is consistent with these *Plan Melbourne* directions and initiatives.

## **Planning and Environment Act 1987**

The amendment is consistent with the objectives of planning in Victoria, in particular the objective detailed in Section 4(1)(d) of the *Planning and Environment Act 1987* (the Act), being:

*To conserve and enhance those buildings, areas or other places which are of scientific, aesthetic, architectural or historical interest, or otherwise of special cultural value.*

This means Council has a statutory obligation to continuously identify and protect places of heritage significance through the Heritage Overlay.

### **3. Background**

#### **Adoption of Citation**

On 17 August 2020, the UPDC resolved to adopt the heritage citation for 12-14 Tannock Street and to write to the Minister for Planning seeking authorisation to prepare and exhibit a planning scheme amendment to introduce a Heritage Overlay over the property at 12-14 Tannock Street, Balwyn North.

The UPDC also resolved to request the Minister for Planning apply an interim Heritage Overlay to the property, to ensure it was not demolished during the amendment process.

#### **Authorisation**

Following the UPDC's decision, officers sought authorisation from the Minister for Planning to prepare and exhibit Amendment C341boro. The Minister authorised the amendment on 7 September 2020, subject to conditions.

The conditions of authorisation required Council to update the Statement of Significance contained within the heritage citation to ensure it was in accordance with new formatting guidelines.

#### **Exhibition**

The amendment underwent public exhibition between 3 December 2020 and 1 February 2021. As a result of the public exhibition process, Council received 35 submissions including:

- 6 opposing submissions.
- 20 supporting submissions.
- 9 supporting submissions seeking changes to the amendment.

At the UPDC meeting of 12 April 2021, the UPDC resolved to refer the amendment and all submissions received to an independent Planning Panel for consideration. No changes were made to the amendment documents or heritage citation in response to submissions.

## Interim Heritage Overlay

The Minister for Planning did not approve Council's initial application for an interim Heritage Overlay on the basis the property was not under threat of demolition. At the time, no application to demolish the property under Section 29A of the *Building Act 1993* or planning permit applications for the property had been lodged with Council.

On 24 May 2021, Council received an application under Section 29A of the *Building Act 1993* for full demolition of the property at 12-14 Tannock Street, Balwyn North. In accordance with Council's adopted process, officers lodged an application with the Minister for Planning to place an interim Heritage Overlay over the property, until the permanent amendment process could be completed. Accordingly, Council's Building Services Department suspended consideration of the application.

On 9 July 2021, officers from the Department of Environment, Land, Water and Planning (DELWP) under delegation from the Minister for Planning, approved Amendment C359boro to introduce an interim Heritage Overlay to 12-14 Tannock Street, Balwyn North until 1 July 2022. Council's Building Services Department have since refused the application to demolish the building.

### 4. Outline of key issues/options

#### Panel Hearing

A panel was appointed on 20 April 2021, and a directions hearing was held on 12 May 2021.

The panel hearing was held on 15 and 16 June 2021 with four supporting submitters addressing the panel. The property owner did not appear before or have representation at the panel. The panel considered matters raised within submissions including:

- The fact Council was pursuing the amendment, despite abandoning the Balwyn and Balwyn North Heritage Study (incorporating Deepdene and Greythorn) in 2015.
- Changes had been made to the property and it no longer represented the original design.
- The amendment would detrimentally impact property value.
- The property should be placed under more rigorous heritage controls.

The panel's report was prepared and submitted to Council on 8 July 2021. The panel made the following conclusions:

- It would have been preferable to incorporate this property into a broader heritage study of Balwyn and Balwyn North, rather than processing it as a site-specific amendment.
- The amendment still needs to be assessed on its merits, regardless of the process preceding the amendment.
- The repainting of the dwelling and alterations to the driveway do not detract from the heritage significance of the building.
- The extensions to the house, also designed by Robin Boyd, contribute to the heritage significance of the building.

- Development opportunity, building alterations and maintenance requirements will not be unreasonably impacted by the introduction of the Heritage Overlay.
- The Heritage Overlay will not result in unreasonable adverse social or economic impacts or delivery of housing land supply.
- Property value and financial implications are not relevant when assessing heritage significance or when deciding whether to apply a Heritage Overlay.
- The house at 12-14 Tannock Street is of local significance and should be included in the Heritage Overlay.
- More rigorous controls have not been justified.
- No change is required to the exhibited Heritage Overlay or exhibited Statement of Significance.

The panel supported Council's position and recommended the amendment be adopted as exhibited without any changes.

On that basis, the UPDC resolved on 6 September 2021 to accept the Panel's recommendations and to refer Amendment C341boro to an Ordinary Meeting of Council for adoption.

It is now recommended Council resolve to formally adopt Amendment C341boro as shown in **Attachments 1 and 2** in accordance with Section 29(1) of the *Planning and Environment Act 1987* and submit the amendment to the Minister for Planning for approval and incorporating into the Boroondara Planning Scheme.

## 5. Consultation/communication

All owners and occupiers of affected and adjoining properties were notified in writing of the formal exhibition process and were invited to make a submission. A notice was published in the Progress Leader and the Victorian Government Gazette at the commencement of the exhibition period.

All amendment documentation was available to view on a dedicated page on Council's website, and in hard copy at Council's planning counter.

All submitters were provided with the opportunity to appear at the public Panel hearing and to address the Panel in support of their submission. All written submissions were considered by the Panel in their report even if they chose not to appear at the hearing.

All residents who lodged submissions, as well as owners and occupiers of the affected and adjoining properties were notified in writing of the opportunity to address the UPSC meeting on 31 August 2020.

All submitters and affected property owners have been informed of this Council meeting, and will be informed in writing of the Minister's decision regarding Amendment C318boro.

## 6. Financial and resource implications

Cost associated with the preparation and implementation of the amendment will be funded through the Strategic and Statutory Planning Department operational Budget for the 2021/2022 financial year.

## **7. Governance issues**

The officers responsible for this report have no direct or indirect interests requiring disclosure.

The implications of this report have been assessed and are not considered likely to breach or infringe upon, the human rights contained in the *Victorian Charter of Human Rights and Responsibilities Act 2006*.

## **8. Social and environmental issues**

The inclusion of the property in the Heritage Overlay will have positive social and environmental effects by contributing to the continual protection and management of the City's heritage.

## BOROONDARA PLANNING SCHEME

## House, 12-14 Tannock Street, Balwyn North

### Statement of Significance

<b>Heritage Place:</b>	House, 12-14 Tannock Street, Balwyn North	<b>PS ref no:</b>	HO928
------------------------	---	-------------------	-------

#### What is significant?

The former Wood House at 12-14 Tannock Street, Balwyn North, is a single-storey gable-roofed brick house with an elongated split-level plan that spreads across its double block. Designed by Robin Boyd for chemist Don Wood and his family, the house was realised in three stages built over more than 20 years: the original modest two-bedroom house (1948-49), expanded with garage and a bedroom/playroom wing (1959) and a further addition with ensuite master bedroom and further living area (1971).

The significant fabric is designed as the entire exterior of the house (encapsulating all three stages designed by Robin Boyd), as well as hard landscaping to the extent of the rock retaining walls, paved pathways and timber steps as shown on Boyd's drawings.

#### How is it significant?

The former Wood House is of architectural, aesthetic and associative significance to the City of Boroondara.

#### Why is it significant?

The house is architecturally and aesthetically significant as a notable achievement in modernist residential architecture. The original house was designed and built in 1948-49, when private homebuilding was still hampered by wartime restrictions on labour and building materials. Nevertheless, the house encapsulated many of the innovative ideas associated with the burgeoning modernist movement, such as open-planning, split-level design and extensive

glazing (most notably in this case, with an improbably large single pane plate glass window). Its elongated plan form, low roofline and generous glazing also articulated a distinct housing form described by Boyd as the "Victorian" type, which prominently recurs in his early output (including plans that he prepared for the Small Homes Services) as well as in later works. The original house was extended to Boyd's design in 1959 and again in 1971, providing evidence of the architect's skill and sensitivity in making additions to his own work, simultaneously demonstrating a continuity of form, finishes and details while still being readily identifiable as later accretions. (Criterion E; Criterion F)

The house is significant for associations with eminent architect and writer Robin Boyd. Documented in late 1948, the house was one of the first projects undertaken by Boyd after he left the partnership of Kevin Pethebridge and Frank Bell, effectively embracing sole practice whilst employed as foundation director of the Small Homes Service. The house demonstrates rarity as one of relatively few surviving examples from this brief but seminal phase of Boyd's career, prior to his celebrated partnership with Roy Grounds and Frederick Romberg. It is one of several outstanding early houses by Robin Boyd in the Balwyn and Balwyn North area, which, considered collectively, provide rare and valuable evidence of the innovation, boldness and fresh design approaches of a young architect on the cusp of an illustrious career. (Criterion B; Criterion H).
