

# **BOROONDARA PLANNING SCHEME**

## **AMENDMENT C341boro**

### **EXPLANATORY REPORT**

#### **Who is the planning authority?**

This amendment has been prepared by the Boroondara City Council, which is the planning authority for this amendment.

The amendment has been made at the request of Boroondara City Council.

#### **Land affected by the amendment**

The amendment applies to 12-14 Tannock Street, Balwyn North.

#### **What the amendment does**

The amendment applies the Heritage Overlay to the land at 12-14 Tannock Street, Balwyn North on a permanent basis.

Specifically, the amendment:

- Amends the Schedule to Clause 43.01 (Heritage Overlay) to include 12-14 Tannock Street, Balwyn North (HO928) on a permanent basis.
- Amends the Schedule to Clause 72.04 to introduce a new statement of significance for 12-14 Tannock Street, Balwyn North.

#### **Strategic assessment of the amendment**

#### **Why is the amendment required?**

The draft *Balwyn and Balwyn North Heritage Study (incorporating Deepdene and Greythorn)* (the draft Study) was completed in June 2014 and identified 26 properties and four precincts to be included in the Heritage Overlay. The house at 12-14 Tannock Street, Balwyn North was one of these 26 identified properties. On 7 September 2015, the Urban Planning Special Committee (UPSC) resolved to not proceed with adopting the draft Study.

On 20 March 2017, the UPSC resolved to undertake a peer review of the draft Study. Following the completion of Stage 1 of the peer review (through Amendment C276 to the Boroondara Planning Scheme) and Stage 2 of the peer review (through Amendment C318 to the Boroondara Planning Scheme), on 17 August 2020 the UPSC adopted the heritage citation for 12-14 Tannock Street, Balwyn North in response to community concern that the place would be demolished.

The significance of this individual property has been assessed against the standard criteria contained in Practice Note 01 *Applying the Heritage Overlay* (September 2012) and it is considered to meet the threshold for local heritage protection under the Heritage Overlay. Amendment C341boro is required to implement the recommendations of the heritage citation by including the place in the Heritage Overlay on a permanent basis.

The Heritage Overlay is the appropriate planning provision to protect the heritage value of the property, as the Heritage Overlay requires a planning permit to be obtained for any building and works, including demolition, that could affect the significance of this property.

#### **How does the amendment implement the objectives of planning in Victoria?**

The amendment is consistent with the objectives of planning in Victoria by implementing the objective detailed at section 4 (1) of the *Planning and Environment Act 1987* which states:

*“to conserve and enhance those buildings, areas or other places which are of scientific, aesthetic, architectural or historical interest, or otherwise of special cultural value.”*

The heritage values associated with the property proposed for inclusion in the Heritage Overlay are outlined in the respective heritage citation.

#### **How does the Amendment address any environmental, social and economic effects?**

The amendment is expected to have a positive social effect by protecting and promoting places of cultural heritage significance in the City of Boroondara.

The amendment is not expected to have any adverse environmental or economic effects.

#### **Does the amendment address relevant bushfire risk?**

The land affected by the amendment is not subject to bushfire risk or a Bushfire Management Overlay, and the amendment is unlikely to result in any significant increase to the risk to life, property, community, infrastructure or the natural environment from bushfire.

#### **Does the amendment comply with the requirements of any Minister’s Direction applicable to the amendment?**

The amendment is consistent with the Ministerial Direction on the form and content of Planning Schemes as identified at section 7 (5) of the *Planning and Environment Act 1987*.

The amendment is consistent with *Ministerial Direction No. 9 Metropolitan Planning Strategy* which requires amendments to have regard to *Plan Melbourne 2017-2050*. The amendment is consistent with *Direction 4.4* which recognises the contribution heritage makes to Melbourne’s distinctiveness and liveability and advocates for the protection of Melbourne’s heritage places.

The amendment is not considered to compromise the implementation of the Metropolitan Planning Strategy.

The amendment also addresses the requirements of *Ministerial Direction No. 11 - Strategic Assessment of Amendments*.

#### **How does the Amendment support or implement the Planning Policy Framework and any adopted State policy?**

The amendment is consistent with the Planning Policy Framework, in particular Clause 15.03-1S (Heritage Conservation) and implements the policy by including a place which has been identified and assessed as having local cultural heritage significance in the Schedule to the Heritage Overlay.

#### **How does the Amendment support or implement the Local Planning Policy Framework, and specifically the Municipal Strategic Statement?**

The amendment is consistent with the Local Planning Policy Framework, particularly Clauses 21.04 (Built Environment and Heritage) and 22.03 (Heritage Policy), which relate specifically to the cultural heritage significance of places within the City of Boroondara. These policies seek to identify, protect and enhance the cultural heritage significance of places within the municipality.

#### **Does the amendment make proper use of the Victoria Planning Provisions?**

The Heritage Overlay is the most appropriate planning provision for recognising and protecting the cultural heritage significance of the identified place.

### **How does the amendment address the views of any relevant agency?**

The views of relevant agencies have been sought through the public exhibition phase of the amendment.

### **Does the amendment address relevant requirements of the Transport Integration Act 2010?**

The amendment is not expected to have any significant impact on the transport system.

### **Resource and administrative costs**

- **What impact will the new planning provisions have on the resource and administrative costs of the responsible authority?**

It is not expected that the new planning provisions will have any significant impact on the resource and administrative costs of the responsible authority.
