

## **BOROONDARA PLANNING SCHEME**

### **AMENDMENT C362BORO**

#### **EXPLANATORY REPORT**

##### **Who is the planning authority?**

This amendment has been prepared by the Boroondara City Council, which is the planning authority for this amendment.

The amendment has been made at the request of the Boroondara City Council.

##### **Land affected by the amendment**

The amendment applies to 25 Swinton Avenue, Kew and 3/2 Hodgson Street, Kew.

##### **What the amendment does**

The amendment seeks to update the existing Heritage Overlay 72 (HO72) covering the River House at 3/2 Hodgson Street, Kew consistent with the updated heritage citation prepared for the property by Extent Heritage.

The amendment seeks to delete Cliff House at 3/2 Hodgson Street, Kew from HO72, and include Cliff House and Summer House at 25 Swinton Avenue, Kew in a new Heritage Overlay, on a permanent basis.

Specifically, the amendment:

- Amends Map 6HO to revise the extent of HO72 and applies a new Heritage Overlay (HO937) to 3/2 Hodgson Street (part) and 25 Swinton Avenue, Kew.
- Amends the schedule to Clause 43.01 (Heritage Overlay) to revise the heritage controls for the existing HO72 and to introduce a new Statement of Significance for the River House, and include HO937 and a new Statement of Significance for Cliff House at 3/2 Hodgson Street, Kew (part) and Summer House at 25 Swinton Avenue, Kew.
- Amends the Schedule to Clause 72.04 to introduce two new incorporated documents titled *River House Statement of Significance, June 2021* and *Summer House and Cliff House Statement of Significance, June 2021*.

##### **Strategic assessment of the amendment**

##### **Why is the amendment required?**

The amendment seeks to implement the recommendations of the heritage review carried out by Extent Heritage of the properties at 2 Hodgson Street, Kew and 25 Swinton Avenue, Kew. The recommendations include:

- Updating the citation, revising the extent with an expanded curtilage and updating the heritage controls associated with the existing HO72 - River House at 3/2 Hodgson Street, Kew.
- Introducing a new Heritage Overlay (HO937) to Cliff House at 3/2 Hodgson Street, Kew (part) and Summer House at 25 Swinton Avenue, Kew.

Extent Heritage was commissioned to carry out a review of heritage significance of the properties at 2 Hodgson Street, Kew and 25 Swinton Avenue, Kew following a request made by the property owners in late 2020 for the review to be undertaken. The property consists of multiple houses and buildings designed by Mr Peter McIntyre, including the offices of McIntyre Partnership, constructed over multiple allotments and set within a densely wooded, riverside landscape in Kew.

The site includes the River House which is included in a Heritage Overlay in the Boroondara Planning Scheme as an individually significant heritage place (HO72). The property was included in the Heritage Overlay as part of the *Kew Urban Conservation Study 1988*. The amendment seeks to extend the curtilage of the Heritage Overlay to encompass more of the views to the River House from the river and opposite the riverbank.

The property has been further developed overtime with the Summer House and Cliff House together with other buildings and infrastructure on the site. Today, the property tells a story of the evolution of Mr Peter McIntyre's post-war architectural expression since the 1950s.
