## 1. Community Strengthening Grants

The Boroondara Community Plan 2021-2031 (BCP) is Council's key strategic document and it describes the community's 10-year vision and priorities. It guides Council's decision making, and directly informs the budget processes and Council strategies, plans, policies and actions.

The activities and projects funded through Council's Community Strengthening Grants program reflect this focus.

You can view the BCP on the Boroondara website at the following web links:

[www.boroondara.vic.gov.au/BCP](http://www.boroondara.vic.gov.au/BCP)

### **The objectives of the Community Strengthening Grants are to:**

- increase participation of residents in their community
- increase inclusion and representation of under-represented groups and issues
- develop innovative approaches to local issues
- assist groups and volunteers to develop skills and build capacity
- encourage the sustainability and better governance of community organisations
- encourage partnerships between local organisations and the development of local community networks.

## 2. Annual Grants

Annual Grants provide limited but important financial support for new, one-off projects and equipment costs associated with delivering projects and activities that strengthen Boroondara's community.

Up to \$10,000 is available per project or activity, with a maximum of \$2,000 available for equipment purchases, within a project or as a standalone grant. Applicants can submit more than one application within and across all funding streams (see section 3), but the combined total of all grant applications must be no more than \$10,000. This total also includes applications to the Small Grants (Biannual).

Annual Grants funding is for new projects and activities, however, requests for funding for a second year of a project or activity may be considered. To meet the criteria for second-year funding, you will need to demonstrate how the second year builds on the initial project and the need and justification for additional funding.

The total funding available each year is subject to variation, depending on Council's annual budget allocation and the contribution of the Rotary Club of Balwyn. The grants are the result of a unique partnership between the Rotary Club of Balwyn and the City of Boroondara, made possible by the Rotary Sunday Camberwell Market and the community of Boroondara. In accordance with the Camberwell Market lease condition, 30% of net annual income from the market is distributed through the Annual Community Strengthening Grants.

## 8. Before submitting your application

### 8.1. Speak to a Council officer

Contact details of the Council officers responsible for each funding stream are on page 10. Before applying, it is important that you talk through your project ideas with the officers for advice on how to shape your application to give it every chance of success. Failure to discuss your project with a Council officer prior to submission will render your application ineligible for funding.

## 8.2. Volunteer grant writers

Council is recruiting volunteer grant writers to assist organisations to develop and complete their applications. If your organisation would benefit from this help, please phone 9278 4753 or email [communitygrants@boroondara.vic.gov.au](mailto:communitygrants@boroondara.vic.gov.au).

- letters or emails of support including auspice arrangement where applicable.

## 9. Auspiced applications

Organisations or groups that are not incorporated and wish to apply for an Annual Community Strengthening Grant over \$1,000 will require an incorporated association to act as their auspice.

If the application is successful, the auspicating organisation will need to sign the Funding Agreement and the funds will be paid to the auspicating organisation. The incorporated organisation then administers the funding on behalf of the auspiced organisation. Please note that auspice fees will not be funded and must not be included in the budget.

## 10. Budget advice
