7 Presentation of officer reports

7.1 Proposed discontinuance and sale of right of way (road) - Adjoining 259 to 281 Whitehorse Road and 1A Weston Street, Balwyn

Executive Summary

Purpose

This report is to consider commencement of the statutory procedures to discontinue and sell the road adjoining 259 to 281 Whitehorse Road and 1A Weston Street, Balwyn.

Background

Council received a request from Balwyn Lifestyle Centre Pty Ltd, the owner of 259 to 281 Whitehorse Road and 1A Weston Street, Balwyn for the discontinuance and sale of the road adjoining its properties, as shown hatched on **Attachments 1 and 2** ("the Road").

Key Issues

- The Road is in the name of Council.
- The Road is considered by officers to be no longer reasonably required for public access.
- The land from the Road is intended to be incorporated into a proposed mixed-use development of surrounding properties.
- Any sale of Council land requires Council to comply with section 114 of the *Local Government Act 2020*.
- There is currently a Council drain in the Road.

Confidentiality

Confidential information is contained in **Attachment 5**, as circulated in the confidential section of the agenda attachments. The information in this attachment is deemed to be confidential in accordance with section 66(2)(a) and the definition of 'confidential information' in section 3(1) of the *Local Government Act 2020*. The information is Council business information which would prejudice the Council's position in commercial negotiations if prematurely released.

If discussion of the confidential information in the attachments to this report is required for Council to make a decision, Council may resolve to discuss the matter in a confidential session or to defer the matter to the confidential section of the agenda.

Officers' recommendation

That Council resolve to

1. Commence the statutory procedures under section 206 clause 3 of Schedule 10 of the *Local Government Act 1989* and section 114 of the *Local Government Act 2020* to discontinue and sell the road adjoining 259 to 281 Whitehorse Road and 1A Weston Street, Balwyn, shown on **Attachment 3** as Lot 1 on TP960019J and as annexed to the minutes ("the Road"), to Balwyn Lifestyle Centre Pty Ltd, by private treaty in accordance with Council's Discontinuance of Roads and Reserves Policy 2022 ("Council's Policy").

2. Give public notice under section 223 of the *Local Government Act 1989* and section 114 of the *Local Government Act 2020* in the appropriate newspaper and on Council's website of the intention to discontinue the Road and sell the land from the Road to Balwyn Lifestyle Centre Pty Ltd by private treaty in accordance with Council's Policy.
3. Invite both written and verbal submissions on the proposed discontinuance and sale.
4. Note a further report will be presented to a future meeting of the Services Delegated Committee of Council should any submissions be received to enable consideration of the submissions and for a decision on whether to proceed with the proposed discontinuance and sale of the Road in full, in part or not to proceed with the discontinuance and sale.
5. Authorise the Chief Executive Officer, or such other person as the Chief Executive Officer approves, to undertake the necessary procedural steps to complete the formal procedures for the sale if no submissions are received.
6. Authorise the Chief Executive Officer, or such other person as the Chief Executive Officer approves, to sign all necessary documentation for the sale of the land from the Road to Balwyn Lifestyle Centre Pty for the sum of \$1,320,000 (inclusive of GST) plus Council's associated costs in accordance with Principle 1 of Council's Discontinuance of Roads and Reserves Policy 2022.

Responsible director: Phillip Storer, Chief Executive Officer

1. Purpose

This report is to consider commencement of the statutory procedures for the discontinuance and sale of the road adjoining the properties from 259 to 281 Whitehorse Road and 1A Weston Street, Balwyn shown hatched in **Attachment 1 and 2** ("the Road").

2. Policy implications and relevance to community plan and council plan

This matter is addressed under Council's Discontinuance of Roads and Reserves Policy 2022 ("Council Policy").

Principle 1 of section 4.2.8 of Council's Policy has been used in determining the purchase price of the Reserve.

Principle 1

"Council will offer land from a discontinued road or reserve to the abutting property owners for purchase at the current market value, as determined by Council's contract valuers. The valuations under this policy will reflect the additional value the subject parcel of land will add to the value of the existing property of the potential acquirer and will take into consideration the market value of land within the immediate locale having regard to the location of the subject land and characteristics including whether the land:

- Is incapable of being developed in its own right given the small land area;*
- Is only marketable to the adjoining owners;*
- Is long and narrow, and/or;*
- Is encumbered with an easement."*

This report is consistent with the Boroondara Community Plan 2021-31 (BCP), incorporating the 10-year Community Vision, Council Plan 2021-25 and Municipal Public Health and Wellbeing Plan 2021-25.

In particular, strategy 7.1 which states "Decision-making is transparent and accountable through open governance processes with timely communication and reporting" is applicable.

It also supports Strategic Objective 7 of BCP, to "Ensure decisions are financially and socially responsible through transparent and ethical processes".

3. Background

Council received a request from Balwyn Lifestyle Centre Pty Ltd, the owner of 259 to 281 Whitehorse Road and 1A Weston Street, Balwyn for the discontinuance and sale of the Road adjoining its properties, shown hatched on **Attachments 1 and 2**.

The Road has an area of 220m² and is shown as Lot 1 on TP96019J on **Attachment 3**. It is currently accessible and can be used for both vehicular and pedestrian access to the adjoining properties, which are all owned by Balwyn Lifestyle Centre Pty Ltd. If the Road is discontinued and sold, Balwyn Lifestyle Centre Pty Ltd seeks to incorporate the land into a proposed development.

A planning permit (PP18/00864) has been issued for the construction of a mixed-use development accommodating 70 (1, 2 and 3 bedroom) apartments, a ground floor supermarket (Coles) and three basement level car parks. The proposed development is extensive and covers the property addresses currently known as 259 to 281 Whitehorse Road and 1A Weston Street, Balwyn (shown outlined red in **Attachment 4**).

4. Outline of key issues/options

It is considered by officers that the Road adjoining 259 to 281 Whitehorse Road and 1A Weston Street, Balwyn, is no longer reasonably required as a road for public use.

The proposed commencement of the statutory procedures under section 206 clause 3 of Schedule 10 of the *Local Government Act 1989* and section 114 of the *Local Government Act 2020* requires Council to give public notice of its intention to discontinue and sell the Road and invite submissions from any affected parties.

5. Consultation/communication

Stakeholder engagement

Balwyn Lifestyle Centre Pty Ltd owns the adjoining properties and accordingly notification to other properties was not considered necessary.

Service authorities have been consulted and no objections were received. Yarra Valley Water has a sewer in the Road therefore an easement will be 'saved' as part of the proposed discontinuance process.

Internal Council departments have been consulted and no objections were received. Council has a drain within the Road and therefore an easement will be 'saved' in favour of Council as part of the proposed discontinuance process.

These sewer and drainage assets will need to be relocated or abandoned when the proposed development commences, and the basement car parks are constructed. It is noted that the easements will remain in place until this occurs.

Statutory community engagement and consultation

The statutory procedures set out in this report require Council to give public notice of its intention to discontinue and sell the Road. Public notice will be advertised on Council's webpage and in The Age newspaper, consistent with Council Policy.

Submitters may request to be heard by Council prior to a decision being made.

If any submissions are received, a further report will be presented to a future meeting of the Services Delegated Committee of Council to enable the consideration of any submissions prior to a decision being made.

If no submissions are received, the Chief Executive Officer, or any such other person as the Chief Executive Officer appoints and authorises, will undertake the necessary procedural steps to complete the formal discontinuance of the

Road and sale and transfer of the land, including the execution of all relevant documentation.

6. Financial and resource implications

If Council proceeds with the discontinuance and sale of the Road, the sale will generate once off income for Council together with the ability to rate the land from the Road in the future. All costs associated with the sale are proposed to be recouped from the proposed purchaser.

Balwyn Lifestyle Centre Pty Ltd has signed a conditional Offer to Purchase the Road from Council for the sum of \$1,320,000 (inclusive of GST), plus costs which are currently estimated at \$57,000.

Table 1: Land sale revenue

Item	Amount (GST inclusive)
Land sale price	\$1,320,000.00
Reimbursement of Council's costs (estimate)	\$57,000.00
Total	\$1,377,000.00

See **Confidential Attachment 5** for a copy of the valuation report and certificate.

7. Governance issues

No officers involved in the preparation of this report have a general or material conflict of interest requiring disclosure under chapter 5 of the Governance Rules of Boroondara City Council.

The recommendation contained in this report is compatible with the Charter of Human Rights and Responsibilities 2006 as it does not raise any human rights issues.

8. Social and environmental issues

The proposed discontinuance and sale of the Road is not expected to have a negative impact on the community, social wellbeing or the environment as the land is intended to be incorporated into the proposed redevelopment of the adjoining properties.

9. Evaluation and review

Council's intended course of action has been reviewed from a legislative compliance perspective by Council's consultants Macquarie Local Government Lawyers and no issues have been identified.

10. Conclusion

It is considered by officers that the Road adjoining 259 to 281 Whitehorse Road and 1A Weston Street, Balwyn is no longer reasonably required as a road for public use.

The land from the Road is intended to be incorporated into the proposed approved development of Balwyn Lifestyle Centre Pty Ltd's adjoining properties and as such it is appropriate that procedures be commenced for its discontinuance and sale.

7.2 Review of the Dog Control Order

Executive Summary

Purpose

This report provides details of a review of the Dog Control Order No. 1 and the Gordon Barnard Dog Play Park Order in response to an action within the Domestic Animal Management Plan. It proposes the republishing of the two dog control orders into a single order with minor changes for clarity and consistency.

The review has identified minor improvements to accuracy and completeness which will not alter the intent of the orders.

Background

Boroondara's Dog Control Order No.1 was published on 18 April 2019 and lists 46 parks and reserves that have been designated by Council as places where dogs can be exercised off-leash (including off a chain or cord), subject to provisions that aim to ensure an owner remains in control of their dog. On 12 August 2021, a separate order designating Gordon Barnard Reserve, Balwyn North as a fenced dog play area was published in the Government Gazette.

The Domestic Animal Management Plan 2021-2025 (the DAMP) was adopted by Council on 28 February 2022 and includes an action for the orders to be reviewed and a report on this review provided to Council. This review specifically looks at whether the orders are clear, up to date and provide relevant information regarding community obligations.

Key Issues

The review recommends:

1. the inclusion of the address of each designated off-leash park and reserve to provide greater clarity for dog owners;
2. the renaming of Burke Road South Reserve to Lewin Reserve to be reflected in the Order;
3. the dog off-leash section of Beckett Park be made clearer;
4. reinforcing the existing requirement that the owner of an on-leash dog should remain in control of that dog and be capable of restraining if needed; and
5. Removes the term 'worry' from the owner's obligations.

Additionally, two related orders create confusion and risk repeating the same information in different formats, so it is recommended they are combined into a single order.

Next Steps

Subject to Council approval, the next step is to publish a single dog control order, which replaces the existing two orders and addresses the five issues outlined in **Attachment A**.

Officers' recommendation

That Council resolve to:

1. Approve the Dog Control Order No. 1 as stated in **Attachment A**.
2. Publish the Dog Control Order No. 1 in the Government Gazette and the Herald Sun newspaper.

Responsible director: **Scott Walker, Director Urban Living**

1. Purpose

To report the results of a review of Council's dog control orders for clarity and currency. Council has two orders:

- Dog Control Order No.1, and
- the Gordon Barnard Dog Play Park Order

As improvements to the orders have been identified, none of which change the intent of the orders, this paper seeks support from Council for them to be republished into a single consolidated order.

2. Policy implications and relevance to community plan and council plan

The key documents relevant for consideration in this matter are:

Boroondara Community Plan 2021-2031

Addresses the management of all reserves regarding their use, specifically: Theme 2: Parks and Green Spaces contains the Strategic Objective - "Green and open spaces are provided, well-utilised and enhanced".

Amenity Local Law 2019 and the Domestic Animals Act (Vic) 1994

The enforceable obligations of dog owners are prescribed in each document including, for example, dog owners having to clean up after their dog and controlling their dog's behaviour toward other dogs or people.

City of Boroondara Domestic Animal Management Plan 2021-2025

Details Council's strategic approach to the delivery of domestic animal management services including meeting its legislative obligations. It includes provisions to support responsible pet ownership and reduce dog nuisance incidents.

3. Background

Requirements of Boroondara's Dog Control Order No.1

Section 26 of the *Domestic Animals Act, 1994* allows a council to control the presence of dogs in any public place through an Order.

Boroondara's Dog Control Order No.1 published on 18 April 2019 lists the 46 parks and reserves that have been designated by Council as places where dogs can be exercised off-leash (including off a chain or cord).

The Order also requires that the owner of any dog being exercised off-leash must:

- carry a chain, cord or leash sufficient to bring the dog under effective control if it threatens any person or animal;
- remain in effective voice or hand control of the dog so as to be able to promptly place the dog on a leash if necessary; and
- not allow the dog to worry or threaten any person or animal.

The Order also specifies that if a dog is off-leash in a Designated Reserve, the dog must be brought under the effective control of the owner by means of a cord, chain or leash if the dog is within 30 metres of:

- the principal location of an organised sporting event;
- the principal location of an organised public meeting; or
- a permanent barbecue or picnic area when in use.

Dogs are prohibited within the immediate perimeter of any playground at all times and must be on a leash if within ten (10) meters of the perimeter of a playground in a Designated Reserve at all times.

A subsequent order was published in the Government Gazette on 12 August 2021 pertaining only to the Gordon Barnard Reserve, Balwyn North designating it as a fenced dog play area.

Commitment to review the Dog Control Order No.1 in 2023

The Domestic Animal Management Plan 2021-2025 (the DAMP) was adopted by Council on 28 February 2023.

The DAMP included an action to “Review Council’s Order relating to the designated dog off-leash areas”. This action is to be completed by December 2023.

4. Outline of key issues/options

The Approach to the Review of the Dog Control Order

In preparing the DAMP, Council considered ways to manage dogs in public spaces including through strategies to:

- improve responsible dog ownership and education in public spaces,
- reduce nuisance incidents, and
- minimise dog attacks and securing dangerous, menacing and restricted breed dogs.

The DAMP did not identify any need to broaden the scope of the dog control orders. Since the DAMP is less than two years old, it is not considered necessary to revisit dog management issues. Instead, the review specifically looked at the orders themselves to determine whether:

- their intention is clear;
- the information is up to date; and
- the information is appropriate and useful to the community.

An online search was made for dog control orders made by other metropolitan councils to determine whether these provide insights into how the Boroondara orders can be improved. The Boroondara orders were also compared against the Council’s website to ensure they are consistent.

Outcomes of the Review

The dog control orders of Yarra, Port Phillip, Merri-bek, Monash, Whitehorse and Manningham were reviewed and found to cover much the same matters as the Boroondara orders. Three of them listed both the designated parks and reserves and the addresses for each. This information helps to direct dog owners to the correct parks, particularly where there are parks of similar names such as Hartwell Sports Ground (Dog off-leash) and Hartwell Station Reserve (Dog on-leash).

The comparison of Boroondara's orders with the Boroondara website, found a single discrepancy relating to the Dog Control Order No.1, which lists Burke Road South Reserve as being a designated off-leash reserve. However, Council resolved to rename this park to Lewin Reserve on 25 March 2019 and the website has it listed accordingly.

In reviewing the list of designated parks and reserves, it was identified that Beckett Park is currently listed as "Beckett Park (Part Only)" and does not make clear which part of the park is designated as which. The dog on-leash portion is fenced and therefore can be readily identified accordingly in the Dog Control Order as "Beckett Park (outside of fenced area only)".

Consultation with the Prosecution Team of Civic Services tested whether the orders provide a sound basis that supports prosecutions arising from dog attacks. A common scenario is when a dog is being walked on-leash along a street and, when passing another person, jumps up on that person and/or bites.

A recent dog attack incident saw the Prosecutions Team making a number of charges against an accused, including a breach of Dog Control Order No.1. However, the dog was on-leash when it attacked and caused serious injury to another dog, so, while the owner did not have effective control over the dog, in a strict sense the owner nevertheless complied with the Order. This charge had to be withdrawn, although other charges were made.

It is the intent of Dog Control Order No.1 owner obligations that:

- I. dogs are always to be under control, including physical restraint on a leash unless in a designated off-leash area, and
- II. that an owner does not allow the dog to worry or threaten any person or animal so that the community and its pets are safe.

To give full effect to the intent of the Order, it is recommended the below clause be amended with the underlined words as follows:

- The owner of any dog must keep the dog in effective control by means of a chain, cord or leash attached to the dog and held by someone who must be capable of restraining the dog while the dog is in a:
 - reserve; or
 - public place

The following clause in the Owner obligations should have the words, 'worry or' removed as it has been identified as a historic term that is adequately covered by the word 'threaten', 'rush' or 'attack', which is found in the *Domestic Animals Act 1994*. The clause should now read as follows:

- does not allow the dog to threaten any person or animal.

Recommended Changes to the Boroondara Dog Control Orders

As a result of the findings, it is recommended that Council republishes its orders in the Government Gazette as a single consolidated order (Attachment A) that:

1. provides the addresses for all 47 parks and reserves;
2. clarifies that Burke Road South Reserve is now known as Lewin Reserve;
3. specifies that only the unfenced area of Beckett Park is designated dog off-leash;
4. clarifies the need that those holding a dog on-leash must be capable of restraining that dog; and
5. Removes the term 'worry' from the owner's obligations.

The proposed revised Dog Control Order is at **Attachment A**.

5. Consultation/communication

In preparing this report, consultation has been undertaken with Capital Projects, Local Laws and Animal Management, Prosecutions, Parks and Sport and Recreation.

As no change to the intent of the orders is recommended, it is not considered that any community consultation is necessary prior to the publication of the consolidated order.

6. Financial and resource implications

Costs associated with the re-publishing the consolidated order are covered by the Council Budget.

7. Governance issues

Legal advice was obtained in the drafting of the consolidated order and public notice.

No officers involved in the preparation of this report have a general or material conflict of interest requiring disclosure under chapter 5 of the Governance Rules of Boroondara City Council.

The recommendation contained in this report is compatible with the Charter of Human Rights and Responsibilities 2006 as it does not raise any human rights issues.

8. Social and environmental issues

The dog control orders and the management of dogs in public spaces play an important role in ensuring Boroondara's parks and reserves can meet a broad range of community needs and are safe for all users.

Attachment A - Proposed Dog Control Order for Publication in the Government Gazette

BOROONDARA CITY COUNCIL

Dog Control Order No.1

In accordance with section 26 of the **Domestic Animals Act 1994**, Council revokes all previous Orders made under that section and makes the following Order:

Dogs must be under effective control.

The owner of any dog must keep the dog in effective control by means of a chain, cord or leash attached to the dog and held by someone who must be capable of restraining the dog while the dog is in a:

- reserve; or
- public place.

Owner obligations

A dog may, however, be exercised off a chain, cord or leash in a Designated Reserve or Designated Fenced Dog Play Area, if the owner:

- carries a chain, cord or leash sufficient to bring the dog under effective control if the dog behaves in a manner which threatens any person or animal;
- remains in effective voice or hand control of the dog so as to be able to promptly bring the dog under effective control by placing the dog on a chain, cord or leash if that becomes necessary; and
- does not allow the dog to threaten any person or animal.

If a dog is off a chain, cord or leash in a Designated Reserve, the dog must be brought under the effective control of the owner by means of a cord, chain or leash if the dog is within 30 metres of:

- the principal location of an organised sporting event;
- the principal location of an organised public meeting; or
- a permanent barbecue or picnic area when in use.

Dogs are prohibited within the immediate perimeter of any playground at all times, and must further be on a cord, chain or leash if within ten (10) metres of the perimeter of a playground in a Designated Reserve at all times.

7.3 Smythesdale Estate Heritage Precinct - Decision to adopt - Amendment C388boro

Executive Summary

Purpose

The purpose of this report is to seek Council adoption of Amendment C388boro to the Boroondara Planning Scheme following the Urban Planning Delegated Committee (UPDC) decision at its meeting on 4 September 2023.

Amendment C388boro seeks to implement the recommendation in the heritage citation for the Smythesdale Estate Precinct by including the recommended properties in the precinct in the Heritage Overlay on a permanent basis.

Background

On 3 October 2022, the heritage citation for the precinct was adopted by the UPDC. Authorisation was granted by the Department of Transport and Planning to prepare and exhibit Amendment C388boro to the Boroondara Planning Scheme on 27 October 2022. The amendment was publicly exhibited from 9 February to 3 April 2023. A total of 24 submissions were received, including 21 submissions which supported the amendment, 1 submission which partially supported the amendment, and 2 submissions which opposed the amendment.

On 1 May 2023, the UPDC resolved to request the appointment of an independent Planning Panel to consider the amendment, and to refer all submissions for consideration by the Panel.

Key Issues

An independent Planning Panel was appointed to consider submissions to the amendment. Two submitters in support of the amendment requested to be heard. At the Directions Hearing, parties agreed the amendment could be considered based on written submissions, without supplementary verbal submissions at a hearing.

Whilst the two parties to the panel process supported the amendment, both parties submitted the heritage precinct met the threshold for Criterion H (associative significance) based on Ms Jessie Henderson CBE, residing at 89 Harcourt Street, Hawthorn East. Ms Henderson was a pioneering voluntary social worker and an influential advocate for women's rights during the first part of the 20th century. The two parties circulated written submissions to the Panel and other parties on 7 July 2023 in support of Criterion H. The Panel subsequently sought a response from Council.

On 11 July 2023, Council circulated a memorandum from RBA Architects, heritage consultants, clarifying why the precinct did not meet the threshold for Criterion H. The heritage consultant recognised Ms Henderson was a notable person who resided at the property, however no built heritage fabric could be attributed to Ms Henderson's time at the dwelling.

On 13 July 2023, officers received the Panel Report for the amendment. The report was publicly released on 24 July 2023.

The Panel recommended the amendment be adopted as exhibited, and found the precinct met the threshold for inclusion in the Heritage Overlay based on Criterion A (historical), Criterion D (representativeness) and Criterion E (aesthetic - relating to 89 Harcourt only). The Panel agreed with Council's heritage consultant with respect to the threshold for Criterion H (associative significance) not being met in relation to Ms Henderson residing at 89 Harcourt Street, Hawthorn East.

On 4 September 2023, the UPDC resolved to endorse the response to the panel recommendation and refer the amendment to an Ordinary Meeting of Council for adoption.

Next Steps

Officers recommend Council adopts Amendment C388boro as exhibited and resolves to submit the amendment to the Minister for Planning for final approval.

Officers' recommendation

4. Authorise the Director Urban Living to undertake administrative changes to the amendment and associated planning controls that do not change the intent of the controls.

Responsible director: **Scott Walker, Director Urban Living**

2. Policy implications and relevance to community plan and council plan

Boroondara Community Plan 2021-31

The Boroondara Community Plan 2021-31 sets out the 10-year vision for Boroondara's future based on values, aspirations and priorities important to the community, and includes the Council Plan 2021-25.

The amendment implements Strategic Objective 4 of the Plan: *"Protect the heritage and respect the character of Boroondara, while facilitating appropriate, well-designed development"*.

Specifically, the amendment implements the following Strategy 4.1 - *"Boroondara's heritage places are protected through ongoing implementation of the heritage protection controls in the Boroondara Planning Scheme."*

Heritage Action Plan 2016

The Heritage Action Plan was adopted by Council on 2 May 2016 and establishes the framework to guide Council's heritage work program as it relates to the identification, protection, management and promotion of Boroondara's heritage assets.

The amendment is consistent with the following actions of the Heritage Action Plan 2016:

- Knowing - which seeks to identify, assess and document heritage places.
- Protecting - which seeks to provide statutory protection for identified
- heritage places.

Boroondara Planning Scheme

The amendment is consistent with the objectives of the Planning Policy Framework, addressing the following:

- Clause 02.03-4 *Built environment and heritage* of the Municipal Planning Strategy - which includes the strategic direction to *'protect all individual places, objects and precincts of cultural, aboriginal, urban and landscape significance'*.

- Clause 15.03-1S *Heritage conservation* - which seeks to ‘ensure the conservation of places of heritage significance’ and to ‘identify, assess and document places of natural and cultural heritage significance as a basis for their inclusion in the planning scheme’.
- Clause 15.03-1L – *Heritage in Boroondara* - which seeks to ‘preserve ‘significant’ heritage places, protecting all significant heritage fabric including elements that cannot be seen from the public realm’.

The Planning Policy Framework seeks to ensure the Heritage Overlay is applied to protect places of heritage significance in the City of Boroondara.

Plan Melbourne 2017-2050

The identification, assessment and protection of places of local heritage significance is supported by Outcome 4 of *Plan Melbourne* which seeks to ensure that ‘*Melbourne is a distinctive and liveable city with quality design and amenity*’.

Direction 4.4 recognises the contribution heritage makes to Melbourne’s distinctiveness and liveability and advocates for the protection of Melbourne’s heritage places.

Policy 4.4.1 recognises the need for ‘*continuous identification and review of currently unprotected heritage sites and targeted assessments of heritage sites in areas identified as likely to be subject to substantial change*’.

The amendment is consistent with these *Plan Melbourne* directions and initiatives.

Planning and Environment Act 1987

The amendment is consistent with the objectives of planning in Victoria, in particular the objective detailed in Section 4(1)(d) of the *Planning and Environment Act 1987* (the Act), being:

To conserve and enhance those buildings, areas or other places which are of scientific, aesthetic, architectural or historical interest, or otherwise of special cultural value.

This means that Council has a statutory obligation to continuously identify and protect places of heritage significance through the Heritage Overlay.

4. Outline of key issues/options

Panel Hearing

An independent Planning Panel was appointed to consider submissions to the amendment. The Panel also considered Amendment C381boro concurrently - an unrelated amendment proposing a Heritage Overlay for 9 Seattle Street, Balwyn North. This will be considered as part of a separate UPDC report.

On 14 June 2023, a Directions Hearing was held where it was agreed to have Amendment C388boro considered by written submissions only. Two submitters which supported the amendment were parties to the process, and sought to provide justification for the precinct meeting Criterion H (associative significance) under the *Practice Note 1: Applying the Heritage Overlay*. On 7 July 2023, further written submissions on this matter were provided to the Panel and other parties. The Panel subsequently sought a response from Council.

On 11 July 2023, Council circulated a memo from RBA Architects, heritage consultants, clarifying why the precinct did not meet the threshold for Criterion H. The memorandum stated:

- To justify Criterion H, there needs to be an “inextricable link” between the built fabric of the heritage place and the person/group. The criterion has not been met by a person residing at the heritage place where this is not reflected in the heritage fabric.
- Ms Henderson CBE was a notable figure who lived at 89 Harcourt Street, Hawthorn East for many years, but the property was not built for Ms

- Henderson CBE and there were no substantive changes to the built fabric while she owned the property.
- The property was not integral to Ms Henderson's work developing her advocacy for women's rights, and it is possible she could have taken the path no matter where she lived.

Planning Panel recommendation

On 13 July 2023, officers received the Panel Report for Amendment C388boro. The report was publicly released on 24 July 2023.

After considering the amendment and all submissions, the Panel found the amendment is well founded and strategically justified, and recommended the amendment be adopted as exhibited. The Panel found the heritage precinct met the threshold for local significance under Criterion A (historical), Criterion D (representativeness) and Criterion E (aesthetic - relating to 89 Harcourt only) under the *Planning Practice Note 1: Applying the Heritage Overlay*.

The Panel found the heritage precinct could not be justified under Criterion H, consistent with Council's submission. Whilst acknowledging Ms Henderson CBE was a significant figure with notable achievements, the Panel found there was no heritage fabric at 89 Harcourt Street, Hawthorn East to demonstrate a special association with her residing at the property for 45 years.

The Panel's recommendation to adopt the amendment as exhibited is consistent with Council's submission to the Panel. As detailed in the Panel Report, the Panel considered all written submissions made in response to the amendment, and supplementary material.

UPDC resolution of 4 September 2023

On 4 September 2023, the UPDC resolved to receive and acknowledge the Panel Report, to accept the officers' response to the panel's recommendation in the Panel Report, and to refer the amendment to an Ordinary Meeting of Council for adoption.

5. Consultation/communication

All submitters were notified of and given the opportunity to be part of the panel process and to address the Panel in support of their submission.

Submitters who chose not to be part of the panel process had their written submission considered by the independent Panel.

All relevant parties were notified in writing of the release of the Panel report.

All submitters, as well as owners and occupiers of the affected and adjoining properties were notified of the UPDC meeting held on 4 September 2023 to consider the outcomes of the Panel, as well as this Council meeting.

6. Financial and resource implications

Costs associated with this amendment will be funded through the Planning & Placemaking Department operating budget for the 2023/24 financial year.

7. Governance issues

No officers involved in the preparation of this report have a general or material conflict of interest requiring disclosure under chapter 5 of the Governance Rules of Boroondara City Council.

The recommendation contained in this report is compatible with the Charter of Human Rights and Responsibilities 2006 as it does not raise any human rights issues.

8. Social and environmental issues

The adoption of this amendment will have positive social and environmental effects by contributing to the continual protection and management of the City's heritage.

Boroondara Planning Scheme

Smythesdale Estate Precinct Statement of Significance, November 2022

Heritage Place:	Smythesdale Estate Precinct	PS ref no:	HO953
------------------------	-----------------------------	-------------------	-------

What is significant?

Smythesdale Estate Precinct at Hawthorn East includes 8-18 Carlyle Street (even only) and 81-89 Harcourt Street (odd only). The original fabric dating to the Victorian and early 20th century (Federation/Early Interwar) periods is significant.

This is an incorporated document in the Boroondara Planning Scheme pursuant to Section 6(2)(j) of the *Planning and Environment Act 1987*.

Boroondara Planning Scheme

The significant elements are the original single storey houses, generally with an asymmetric façade and including the following elements:

- Hip roof, three with a gable end to the front, many retaining slate cladding
- Chimneys, mostly rendered
- Timber-framed houses - generally with ashlar boards to the façade
- Masonry houses – two face brick and two rendered
- Cornices with brackets and usually panelling
- Verandahs with cast iron frieze, some with cast iron columns, and corrugated sheet metal cladding
- Original timber-framed openings, including panelled doors (usually with sidelights) and double-hung sash windows
- Federation period additions to 18 Carlyle Street and early 20th century (Late Federation/Early Interwar) garage to 83 Harcourt Street
- Basalt kerbing and channelling to Harcourt Street.

Rear additions and all front fences are not significant.

How is it significant?

Smythesdale Estate Precinct is of local historical and representative significance and partly of aesthetic significance (relating to 89 Harcourt Street) to the City of Boroondara.

Why is it significant?

Smythesdale Estate Precinct is of historical significance for reflecting the late Victorian period suburban building in the area that followed the extension of the railway to Camberwell station. This extension was the impetus for opening up parts of Hawthorn East that had hitherto been relatively isolated and began to realise their residential development potential at the end of Melbourne's famed 'boom period'. This marked a shift from the earlier market gardening, etc. use of the area (when it was part of John Robert Murphy's 124-acre Crown Allotment 70, known as the Village of Rathmines subdivision). Whilst the building stock is varied, it generally represents the mid to upper end of the villa spectrum, especially 89 Harcourt Street, and so reflects the prestige of the area as a 'gentleman's retreat', established about in the vicinity from about 1870. The precinct area derives from the substantial holdings of the nearby residence *Ultima* (1099 Burke Road), when it was owned by entrepreneur/impresario Robert Sparrow Smythe who was a prominent citizen and lived in the area for some time. The name of the estate and Carlyle Street relate to his family. (Criterion A)

This is an incorporated document in the Boroondara Planning Scheme pursuant to Section 6(2)(j) of the *Planning and Environment Act 1987*.

Boroondara Planning Scheme

Smythesdale Estate Precinct is of representative significance as a small, cohesive group of late Victorian housing. They are generally comfortable suburban villas dating to the final phase of 19th century development before a long economic depression. They were all erected during a five-year period (1887 to 1892), though two have additions dating to the early 20th century, which are also significant being those to the north and south end of 18 Carlyle Street (Federation period) and the red brick garage at 83 Harcourt Street (late Federation/early Interwar period). Compared to many other such groups in the Hawthorn area, the precinct is distinguished by the preponderance of asymmetric facades and a few gable ends, when there was a clear preference in other parts or slightly earlier estates for symmetrical façade composition with a fully hipped roof. As such, this group of houses is indicative of a purer Italianate style ethos, informed by the English Picturesque Movement and suggestive of a vernacular Italian origin. The level of intactness is generally high with a mix of brick and timber-framed buildings (some of the latter with brick party walls), several retaining slate roof cladding, and usually having classical mouldings and other elements, as well as original cast iron detailing to the verandahs. (Criterion D)

Tempe at 89 Harcourt Street is of aesthetic significance as an intact and commodious, late Italianate style villa (likely architect designed) of rendered brick distinguished by an array of cast iron detailing - crestring, to the gablet, frieze and paired columns to the return verandah. Other notable elements include a cornice with fluted console brackets, near full length windows to the front, and entry with glazed and panelled door. Original elements also include slate roof cladding, chimneys, tessellated tiling to the verandah, and basalt stair. (Criterion E)

7.4 9 Seattle Street, Balwyn North - Decision to adopt - Amendment C381boro

Executive Summary

Purpose

The purpose of this report is to seek Council adoption of Amendment C381boro to the Boroondara Planning Scheme following the Urban Planning Delegated Committee (UPDC) decision at its meeting on 4 September 2023.

Amendment C381boro seeks to implement the recommendation in the heritage citation for the Batrouney House (former) - 9 Seattle Street, Balwyn North by including the recommended property in the Heritage Overlay on a permanent basis.

Background

On 18 July 2022, the heritage citation for the property was adopted by the UPDC. Authorisation was granted by the Department of Transport and Planning to prepare and exhibit Amendment C381boro to the Boroondara Planning Scheme on 31 October 2022. The amendment was publicly exhibited from 9 February to 9 March 2023. A total of 3 submissions were received, including 3 submissions which opposed the amendment.

On 1 May 2023, the UPDC resolved to request the appointment of an independent Planning Panel to consider the amendment, and to refer all submissions for consideration by the Panel.

Key Issues

An independent Planning Panel was appointed to consider submissions to the amendment. No submitters requested to be heard. At the Directions Hearing, the Panel agreed the amendment could be considered based on the documents and written submissions provided to the Planning Panel with no further hearing required.

On 13 July 2023, officers received the Panel Report for the amendment. The report was publicly released on 24 July 2023.

The Panel recommended the amendment be adopted as exhibited, and found the property met the threshold for inclusion in the Heritage Overlay based on Criterion A (historical), and Criterion E (aesthetic). The Panel concluded that property value, private financial impact, quality of Balwyn North, building layout, suitability and safety are not relevant when considering whether the property has sufficient heritage significance to apply the Heritage Overlay.

On 4 September 2023, the UPDC resolved to endorse the response to the panel recommendation and refer the amendment to an Ordinary Meeting of Council for adoption.

Next Steps

Officers recommend Council adopts Amendment C381boro as exhibited and resolves to submit the amendment to the Minister for Planning for final approval.

Officers' recommendation

That Council resolve to:

1. Adopt Amendment C381boro to the Boroondara Planning Scheme, as shown in **Attachments 1 to 5**, in accordance with Section 29(1) of the *Planning and Environment Act 1987*.
2. Submit Amendment C381boro to the Minister for Planning for approval in accordance with Section 31(1) of the *Planning and Environment Act 1987*.
3. Following the Minister's approval of Amendment C381boro, update two (2) background documents to the Boroondara Planning Scheme (the *Boroondara Schedule of Gradings Map* and *Boroondara Heritage Property Database*) to include the heritage grading and relevant heritage citation for the property affected by the amendment.
4. Authorise the Director Urban Living to undertake administrative changes to the amendment and associated planning controls that do not change the intent of the controls.

Responsible director: **Scott Walker, Director Urban Living**

2. Policy implications and relevance to community plan and council plan

Boroondara Community Plan 2021-31

The Boroondara Community Plan 2021-31 sets out the 10-year vision for Boroondara's future based on values, aspirations and priorities important to the community, and includes the Council Plan 2021-25.

The amendment implements Strategic Objective 4 of the Plan: *"Protect the heritage and respect the character of Boroondara, while facilitating appropriate, well-designed development"*.

Specifically, the amendment implements the following Strategy 4.1 - *"Boroondara's heritage places are protected through ongoing implementation of the heritage protection controls in the Boroondara Planning Scheme."*

Heritage Action Plan 2016

The Heritage Action Plan was adopted by Council on 2 May 2016 and establishes the framework to guide Council's heritage work program as it relates to the identification, protection, management and promotion of Boroondara's heritage assets.

The amendment is consistent with the following actions of the Heritage Action Plan 2016:

- Knowing - which seeks to identify, assess and document heritage places.
- Protecting - which seeks to provide statutory protection for identified
- heritage places.

Boroondara Planning Scheme

The amendment is consistent with the objectives of the Planning Policy Framework, addressing the following:

- Clause 02.03-4 *Built environment and heritage* of the Municipal Planning Strategy - which includes the strategic direction to *'protect all individual places, objects and precincts of cultural, aboriginal, urban and landscape significance'*.

- Clause 15.03-1S *Heritage conservation* - which seeks to ‘ensure the conservation of places of heritage significance’ and to ‘identify, assess and document places of natural and cultural heritage significance as a basis for their inclusion in the planning scheme’.
- Clause 15.03-1L – *Heritage in Boroondara* - which seeks to ‘preserve ‘significant’ heritage places, protecting all significant heritage fabric including elements that cannot be seen from the public realm’.

The Planning Policy Framework seeks to ensure the Heritage Overlay is applied to protect places of heritage significance in the City of Boroondara.

Plan Melbourne 2017-2050

The identification, assessment, and protection of places of local heritage significance is supported by Outcome 4 of *Plan Melbourne* which seeks to ensure that ‘*Melbourne is a distinctive and liveable city with quality design and amenity.*’

Direction 4.4 recognises the contribution heritage makes to Melbourne’s distinctiveness and liveability and advocates for the protection of Melbourne’s heritage places.

Policy 4.4.1 recognises the need for ‘*continuous identification and review of currently unprotected heritage sites and targeted assessments of heritage sites in areas identified as likely to be subject to substantial change.*’

The amendment is consistent with these *Plan Melbourne* directions and Initiatives.

Planning and Environment Act 1987

The amendment is consistent with the objectives of planning in Victoria, in particular the objective detailed in Section 4(1)(d) of the *Planning and Environment Act 1987* (the Act), being:

To conserve and enhance those buildings, areas or other places which are of scientific, aesthetic, architectural or historical interest, or otherwise of special cultural value.

This means that Council has a statutory obligation to continuously identify and protect places of heritage significance through the Heritage Overlay.

BOROONDARA PLANNING SCHEME

Batrouney House (former), 9 Seattle Street, Balwyn North Statement of Significance, August 2022

Heritage Place:	<i>Batrouney House (former)</i> 9 Seattle Street, Balwyn North	PS ref no:	HO945
------------------------	---	-------------------	-------

What is significant?

The former Batrouney House at 9 Seattle Street, Balwyn North, designed by architect Edgard Pirrotta in 1975, is significant.

Significant fabric includes asymmetrical built form with a steeply raked parapet wall and curved corner to the principal façade, walls of bagged concrete blocks, original external colour scheme (albeit subtly softened by the original owners), irregular roofline that incorporates sections that are variously flat, low-pitched or more steeply raked, all clad with metal tray deck roofing, a long glazed vault, made of curved timber beams with perspex infill, which extends all the way from the front door to the staircase in the rear wing, flat-roofed double carport, exposed chimney flues, rainwater heads and downpipes, flight of shallow concrete-paved steps that lead from the street to the front door, and bagged and painted concrete-block retaining wall with curved corner walls at the driveway entry. The garage door is a later addition and is not significant.

How is it significant?

The house is of historic and aesthetic significance to the City of Boroondara.

Why is it significant?

9 Seattle Street, Balwyn North, is of local historical significance for the evidence it provides of Boroondara as a locus for fine, leading architect-designed public and private buildings from the 1850s into the postwar period. Built in 1975 to a design by prominent Melbourne-based Italian architect Edgard Pirrotta of Morris & Pirrotta, 9 Seattle Street featured in architecture critic Norman Day's 1976 publication *Modern Houses: Melbourne*, among profiles of some 50 modern houses by

a then-emerging generation of younger architects. As a recipient of the September 1976 *Age*-RAIA House of the Week award, Batrouney House exemplifies the high concentration of modern mid-1970s houses in Boroondara that received architectural accolades or were awarded RAIA citations. (Criterion A)

9 Seattle Street, Balwyn North, is of local aesthetic significance as a fine and notably intact example of the Brutalist aesthetic as applied to residential architecture during the 1970s. With its irregular plan, jagged roofline and use of glazed vaulting, the house has a stark external form featuring walls of bagged concrete blocks and a roofline that incorporates sections that are variously flat, low-pitched or more steeply raked. The house retains many distinctive features including its long glazed vault, made of curved timber beams with perspex infill, which extends all the way from the front door to the staircase in the rear wing. As is typical of other examples of the style, the house's chimney flues, rainwater heads and downpipes are all exposed. Being highly intact, and retaining its original front and side fences and entry steps, the house is a bold and eye-catching element in the streetscape. (Criterion E)

7.5 Serpells Lane Strategic Property Project

Executive Summary

Purpose

The purpose of this report is to provide an update on the Serpells Lane Strategic Property Project as well as consideration of an offer to purchase from Swinburne University of Technology ("Swinburne").

Background

The Council-owned Serpells Lane car park is approximately 2,908m² and is located at 399 Burwood Road, Hawthorn ("the Property").

During its meeting held on 25 July 2022, Council decided to initiate the Serpells Lane Strategic Property Project, which included the rezoning and exploring potential sale of the Property.

Subsequently, Council has been approached by Swinburne, which led to an offer being received to purchase the Property.

Key Issues

- Consistent with the Council resolution of 22 July 2022, work to prepare the Property for sale has progressed.
- Council was approached by Swinburne, which has resulted in an offer to Council of \$16,000,000 (plus GST). A sale to Swinburne does not require a rezoning. Additionally, if the Property is sold to Swinburne there is no statutory obligation for Council to consult formally under the *Local Government Act 2020* prior to making a decision about the sale. If Council wishes to sell to Swinburne, it is recommended consultation should still occur, but it would be on the basis that Council intends to sell the Property to Swinburne.
- Windfall Gains Tax ("WGT") came into effect from 1 July 2023. There is no WGT obligation if a sale is made to Swinburne.
- If Council were to sell the Property on the open market to a private purchaser and the rezoning required to support the sale is approved, there would be a WGT liability which presently cannot be determined. Additionally, Council will need to formally consult under the *Local Government Act 2020* by publishing a Notice of Intention to Sell and hearing submissions prior to making a decision about the sale.
- If Council decides to sell the Property to Swinburne, obligations relating to their proposed development, including the requirement to provide car parking will be imposed on title through a Section 173 Agreement under the *Planning and Environment Act 1987*. This will also ensure that the development is unique as opposed to what could be achieved through a sale on the open market.

Confidentiality

Confidential information is contained in **Attachment 2 and 3**, as circulated in the confidential section of the agenda attachments. The information in this attachment is deemed to be confidential in accordance with section 66(2)(a) and the definition of 'confidential information' in section 3(1) of the *Local Government Act 2020*. The information is Council business information which would prejudice the Council's position in commercial negotiations if prematurely released.

If discussion of the confidential information in the attachments to this report is required for Council to make a decision, Council may resolve to discuss the matter in a confidential session or to defer the matter to the confidential section of the agenda.

Officers' recommendation

That Council resolve to

1. Pursuant to sections 114 and 116 of the *Local Government Act 2020*, give notice on Council's website of the intention to sell the land shown shaded yellow on **Attachment 1** and legally described as: Lot 1 on TP418986F within Volume 03362 Folio 247; Lot 1 on TP684954F within Volume 04042 Folio 269; Lot 1 on TP365258H within Volume 06261 Folio 119; and Lot 1 on TP584361S within Volume 02475 Folio 947 ("the Property") to Swinburne University of Technology ("Swinburne") by private treaty for \$16,000,000 (plus GST).
2. Invite both written and verbal submissions on the proposed sale.
3. Note a further report will be presented to a future meeting of the Services Delegated Committee of Council to enable consideration of submissions and for a decision on whether to proceed with the proposed sale of the Property.

Responsible director: **Phillip Storer, Chief Executive Officer**

1. Purpose

This report provides an update on the Serpells Lane Strategic Property Project, including consideration of an offer to purchase from Swinburne University of Technology ("Swinburne").

If Council decides to sell to Swinburne, or through an open market process, the next step will be to commence community consultation.

2. Policy implications and relevance to community plan and council plan

The Boroondara Community Plan 2021-31 sets out the 10-year vision for Boroondara's future based on values, aspirations and priorities important to the community.

This report relates to Theme 7 of the Boroondara Community Plan with the strategic objective of: *"Ensure decisions are financially and socially responsible through transparent and ethical processes"*.

It specifically relates to the following strategies of the Boroondara Community Plan:

- **Strategy 7.1:** Decision-making is transparent and accountable through open governance processes with timely communication and reporting.
- **Strategy 7.2:** Resources are responsibly allocated and used through sound financial and asset planning, procurement and risk management principles.
- **Strategy 7.4:** The voices of our community are heard through engagement strategies to allow effective representation on current and long-term community needs.

Relevant Financial Strategy Principles include:

Creating Community Assets Principle

Council will ensure that the community has access to required community infrastructure, located to meet community needs and city wide priorities and designed with regard to current and future needs.

Construction and acquisition of new community assets must respond to existing needs, new identified needs or adopted strategies. Such facilities must remain within the limitations of Council's financial and resource capacity and provide clear and tangible benefits. Opportunities for community partnerships to develop assets will be pursued.

In reviewing any proposal, Council will consider the financial mechanisms available to assign the capital costs to current and future generations. Asset substitution can be a source of finance where a newly-created asset consolidates services and the vacated asset becomes available for sale.

Analysis of the creation of new assets will also consider contributions to the public realm, environmental and social benefits. The financial analysis will have regard to consequent operational maintenance and renewal costs.

Property Holdings Principle

Council will manage, acquire and dispose of property in the best interest of the Boroondara community. Council recognises the importance of property holdings over the long term to community wellbeing.

Assets will only be considered for disposal where there is no clear Council or community need for that asset in the foreseeable future. All property considered for disposal will undergo a thorough evaluation based on both financial and community benefit factors. Open space will not be sold unless replaced by areas of equal size and/or value. Any proceeds derived from property realisation will be directed towards funding land acquisition, new/upgrade capital works or debt reduction and will not be used to fund operating expenditure. Council will not necessarily hold property that has no current or future identified purpose, or if that purpose can be met more effectively in other ways.

Existing holdings or strategic acquisitions must meet existing needs, new identified needs or adopted strategies. To enhance community benefit opportunities for the alternative use of property (including asset realisation) will be investigated.

Regular reviews of asset holdings will be conducted to identify opportunities for asset realisation. Asset management plans, asset usage, land use planning documents and community benefit will be considerations in such reviews.

3. Background

The Serpells Lane car park is approximately 2,908m² and is located at 399 Burwood Road, Hawthorn ("the Property").

At its meeting on 25 July 2022 Council decided to commence the Serpells Lane Strategic Property Project, including the rezoning and preparation for a potential sale of the Property.

Subsequently, Council has been approached by Swinburne which has led to an offer to purchase the Property.

4. Outline of key issues/optionsOffer from Swinburne

Swinburne submitted an offer to Council in August 2023 of \$16,000,000 (plus GST) (refer **Confidential Attachment 2**) which includes a unique development vision that integrates the Property into the existing campus footprint.

In addition to the offer, Swinburne has committed to:

1. Transform the parking mix in its multi deck car park on Wakefield Street (total 685 car parks) to reduce 'reserved parking' and increase 'casual parking' by 37 parking spaces, taking the total number of casual car parks available to the public to 564 spaces.
2. Continue to provide Henry Street casual car park spaces to members of the public (65 bays).
3. Retain car park pricing at modest levels, broadly aligned to nearby Council car parks with the structure set as:
 - a. 0-2 hours: \$4

- b. 2-3 hours: \$5
- c. Full day: \$10

Council's Traffic and Transport department has provided the following advice on the above commitments.

The Swinburne multi deck car park is available to the public except for 134 spaces which are reserved for the University. The reserved spaces were decreased by 37 spaces to 134 spaces and the level of public parking increased to 564 spaces. The addition of 37 additional public spaces is considered beneficial given that the car park was essentially at capacity between 10:30am to 2:30pm, the flexibility for short, medium, or long term parking and its location in close proximity to the shopping precinct.

Whilst the Henry Street car park does provide the opportunity for public parking at a fee, the car park is not clearly signed as a public car park and appears to be a private car park for the exclusive use of the University. It is recommended that signage be installed to clearly highlight it can be used by the public. Improvements to vehicle access to the car park are also recommended.

Most of the fee structure is similar to the fees that Council imposes for paid car parking, although the daily rate at \$10 is a little higher than Council's fee of \$7 per day (2023/24 budget).

These initiatives are supported and already implemented. Signage and access improvements to the Henry Street car park should be pursued with Swinburne.

Proposed development outcome

It is proposed to secure the development vision by registering on the title to the Property a Section 173 Agreement under the *Planning and Environment Act 1987*. Notably, the Key Conditions proposed provides that the development outcome must include one or both of the following:

1. State-of-the-art classrooms, laboratories, and technology-based research facilities for undergraduate and higher degree students and local visiting researchers;
2. Fit-for-purpose spaces for industry partners to work and collaborate with students and academics on campus.

and may include:

3. Student residences to cater for the growing demand for on-campus accommodation, including for students from regional areas and interstate;
4. Retail offerings for students, staff, and visitors.

It is also proposed that the Section 173 agreement require the additional 37 public parking spaces proposed by Swinburne be retained and available to the public either at the site or another site as agreed by Council.

The 37 spaces proposed is slightly in excess of the number of parking spaces in the Serpells Lane car park which our surveys reveal are not used in connection with Swinburne University.

The above Key Conditions would also require that any development must provide car parking in accordance with the provisions of the Boroondara Planning Scheme.

The above development proposals would require Swinburne to achieve a planning permit for building and works, as well as for any use other than education.

Swinburne would also be required to submit a concept plan to Council prior to commencement of development which demonstrates compliance with the requirements of the Section 173 Agreement.

Glenferrie Place Plan

The Draft Glenferrie Place Plan engagement was completed in late 2021 with strongly positive feedback (over 80%) from both traders and the broader community.

The Place Plan proposes relocation of some on-street parking from Glenferrie Road to free up space for improved pedestrian environment, street greening, and a greatly enhanced retail experience throughout the precinct. It also provides options for part replacement of the Serpells Lane public car park should Council proceed with the sale of the land and decide that this car parking requires replacement. However, a Traffic and Carparking Assessment undertaken on the Serpells Lane property concludes that there is sufficient capacity in public car parking within Glenferrie to absorb the loss of the Serpells Lane car park and its replacement is not necessary, particularly having regard to the offer made by Swinburne to create an extra 37 public parking spaces and is therefore a matter for Council.

The updated Draft Glenferrie Place Plan and Supplementary Report on the Park Street Parking Facility underwent community engagement from 21 March 2023 to 2 May 2023. Officers have analysed community feedback and are updating the Glenferrie Place Plan, which is scheduled to be presented to Council for final adoption.

Paid car parking installation and usage

Paid car parking was introduced in the Serpells Lane car park on Friday 12 May 2023 in line with the resolution of the Services Delegated Committee of 20 March 2023.

The following table highlights the revenue from parking and infringements since commencement of paid parking until 31 August 2023.

Table 1: Car parking revenue

Item	Revenue
Ticket machine income	\$26,303.99
Pay Stay application	\$15,793.10
x813 infringements issued	\$97,468.00
Total	\$139,565.09

Prior to the introduction of paid car parking, the car park was at capacity, typically 8am to 9pm with little turnover and high levels of overstaying. With the paid car parking, site inspections on a number of occasions at different times of

the day have confirmed that parking is readily available. A follow up study of car park attendees has been undertaken by a traffic consultant and a comparison summary is presented as follows:

Table 2: Car park usage comparison

Prior to Ticket Parking	After Ticket Parking
30% of motorists overstayed the 3-hour limit	27% of motorists overstay the 3-hour limit
28 motorists parked for 5 hours plus	17 motorists parked for 5 hours plus
Approximately 64% of all motorists parking in the Serpells Lane car park are associated with Swinburne University	Approximately 68% of all motorists parking in the Serpells Lane car park are associated with Swinburne University
Parking utilisation very high throughout the day	Parking readily available at all times

It is concluded that the majority of car park users continue to be associated with Swinburne. If the current weekly return from the site were to be maintained, it would take 35 years to achieve the total return represented by the proposed sale price. With consistent enforcement it is unlikely these returns will be maintained.

Rezoning process

Amendment C385boro proposes the rezoning of the car park from Public Use Zone 6 (PUZ6) to Commercial 1 Zone (C1Z). The amendment was publicly exhibited in late 2022. On 5 December 2022 the Urban Planning Delegated Committee (UPDC) resolved to refer all submissions received to an independent planning panel for consideration.

The independent panel hearing was held on 27 and 28 February 2023. The independent panel's report was received on 14 April 2023. The independent panel has supported Council's proposal and recommended that the amendment be adopted by Council without changes.

A report was considered by the Urban Planning Delegated Committee on 15 May 2023. The Committee resolved to:

- 1. Receive and acknowledge the Panel's report and recommendations, as shown at Attachment 1, in accordance with Section 27 (1) of the Planning and Environment Act 1987.*
- 2. Refer Amendment C385boro to a Meeting of Council to be adopted in accordance with Section 29(1) of the Planning and Environment Act 1987. A decision on whether to adopt will be made following a formal decision to proceed with a sale of the land.*
- 3. Authorise the Director Urban Living to undertake administrative changes to the amendment and associated planning controls that do not change the intent of the controls.*

Site investigations

Valuation

Council commissioned Charter Keck Cramer to provide an updated market valuation which was completed in August 2023. This is discussed further in section 6 of this report.

Windfall Gains Tax ("WGT") update

WGT came into effect 1 July 2023. A "WGT event" is a rezoning (other than an excluded rezoning) that triggers an assessment and imposition of WGT on the owner. A rezoning from PUZ to C1Z is a WGT event.

If the Property is sold to Swinburne, there will be no need to rezone the land as Swinburne's use would be permitted as of right by the PUZ (PUZ2 – Education), and so there would be no "WGT event".

If Council sells on the open market, the contract of sale would need to allocate liability for WGT.

Utility services availability

A services engineering consultant has found that there are necessary utility networks to support development.

Telstra easement

A Telstra easement located towards the western boundary. While it would be costly to remove, there is still opportunity for it to be developed, for example as garden, private open space and even potential to build up and over the easement. Any building over or close to the easement requires Telstra consent.

Environmental assessment

A comprehensive environmental assessment has been completed. The Property is considered suitable for high-density residential and/or mixed-use development including an underground car park, subject to remediation of fill material.

Survey

An updated feature and level survey as well as title re-establishment has been completed.

Arboricultural assessment

An arboricultural assessment has been completed and no significant issues have been found.

Legal summary

Maddocks has been engaged to provide legal advice in relation to the project and the following is noted:

1. Titles and encumbrances have been reviewed.
2. Any direct negotiation offer received from Swinburne needs to be more compelling than what Council could obtain through a market-led sale process. This requirement is consistent with the *Local Government Best Practice Guidelines for the Sale of Land*, dated June 2009 (developed by the State Government).
3. The land comprising the Serpells Lane carpark was purchased by Council over time, with all but the laneway access to the site being acquired by Council between 1905-1938. The laneway was purchased in 1968 using separate funding provided by traders. The car park comprises a total of 2,908m² of which the laneway totals 286m² or 8.9% of the total site. Additionally, there are no parking spaces on the land acquired using trader funds. The traders are claiming they accrue rights through their separate scheme payments which concluded 1982. Council's legal advice confirms the traders have no proprietary interest in the land and it would be difficult for them to successfully claim such rights exist. At most, the possibility of a public purpose trust arises which means that Council has no legal liability to traders but any risk can be mitigated by providing some additional parking in the vicinity. It is considered the offer by Swinburne to make an additional 37 spaces available for community use in its car park will mitigate any risk. Delivery of this outcome is best achieved by including the offer made by Swinburne in the proposed Section 173 Agreement.

It is considered that each of these issues is addressed in the proposed recommendation as required.

5. Consultation/communication

At its meeting of 22 July 2022, Council resolved to commence the statutory procedures consistent with section 114 of the *Local Government Act 2020* to sell the Property by giving notice of its intention to sell and calling for submissions. This has not occurred yet as site investigations and other preparations have been taking place.

If Council decides to sell to Swinburne, appropriate general communication and engagement is proposed. In this instance, there is no statutory requirement to advertise a public notice and invite submissions consistent with section 114 of the *Local Government Act 2020* as a sale to Swinburne would be exempt under section 116 of the *Local Government Act 2020*. However, given the way that the proposed sale process has been described in the decision to commence the project in July 2022, as well as during the planning scheme amendment C385boro rezoning process, there is an expectation in the community that there will be an opportunity to lodge submissions with Council for consideration before a decision is made to sell the Property. This occurred to anticipate the possibility that Council may resolve to sell the Property on the open market. As such, the following is proposed.

Council should give public notice of its intention to sell the Property directly to Swinburne on Council's website inviting submissions from affected parties.

Submitters may request to be heard by Council prior to a decision being made about the sale.

If any submissions are received, a further report will be presented to a future meeting of the Services Delegated Committee of Council for consideration as part of the decision making process.

6. Financial and resource implications

A sale to Swinburne would not require Council to proceed with Planning Scheme Amendment C385boro. If no rezoning is required, a WGT event will not be triggered. It would also remove the need for marketing and agency costs.

If the Property is offered to the open market, the rezoning of the Property to C1Z would proceed and the contract of sale will need to allocate liability for WGT.

A current market valuation report has been completed by Charter Keck Cramer. The assessed value is set out in **Confidential Attachment 3**. The assessed value is not published in the public section of this report as the decision Council intends to make is unknown and, depending upon the decision, publication could compromise Council's commercial interests.

See **Confidential Attachment 3** for a copy of the valuation report.

Funds realised as a result of a sale would add to Council's surplus as this revenue is not currently provided for in Council's Long Term Financial Strategy (LTFS). Should the recommendation of a sale to Swinburne be supported this could add \$16,000,000 to Council's 2023/24 budget surplus of \$5,060,000 bringing the total 2023/24 surplus to \$21,060,000.

If we were to apply the square metre value of the Property to the 37 parking spaces offered by Swinburne this equates to \$4,287,317 for the land alone. We have the opportunity to replace the parking used by the public at the Serpells Lane car park, respond to the concerns raised by traders about having funded the access lane and effectively acquire additional public parking without cost to Council. This takes the value proposition for the site from \$16,000,000 to \$20,287,317 if secured by the Section 173 Agreement as a condition of sale.

7. Governance issues

No officers involved in the preparation of this report have a general or material conflict of interest requiring disclosure under chapter 5 of the Governance Rules of Boroondara City Council.

The recommendation contained in this report is compatible with the Charter of Human Rights and Responsibilities 2006 as it does not raise any human rights issues.

8. Social and environmental issues

Officers consider that the Serpells Lane Strategic Property Project will allow Council to realise a positive social and environmental outcome, through the use of the sale proceeds to deliver other community outcomes consistent with

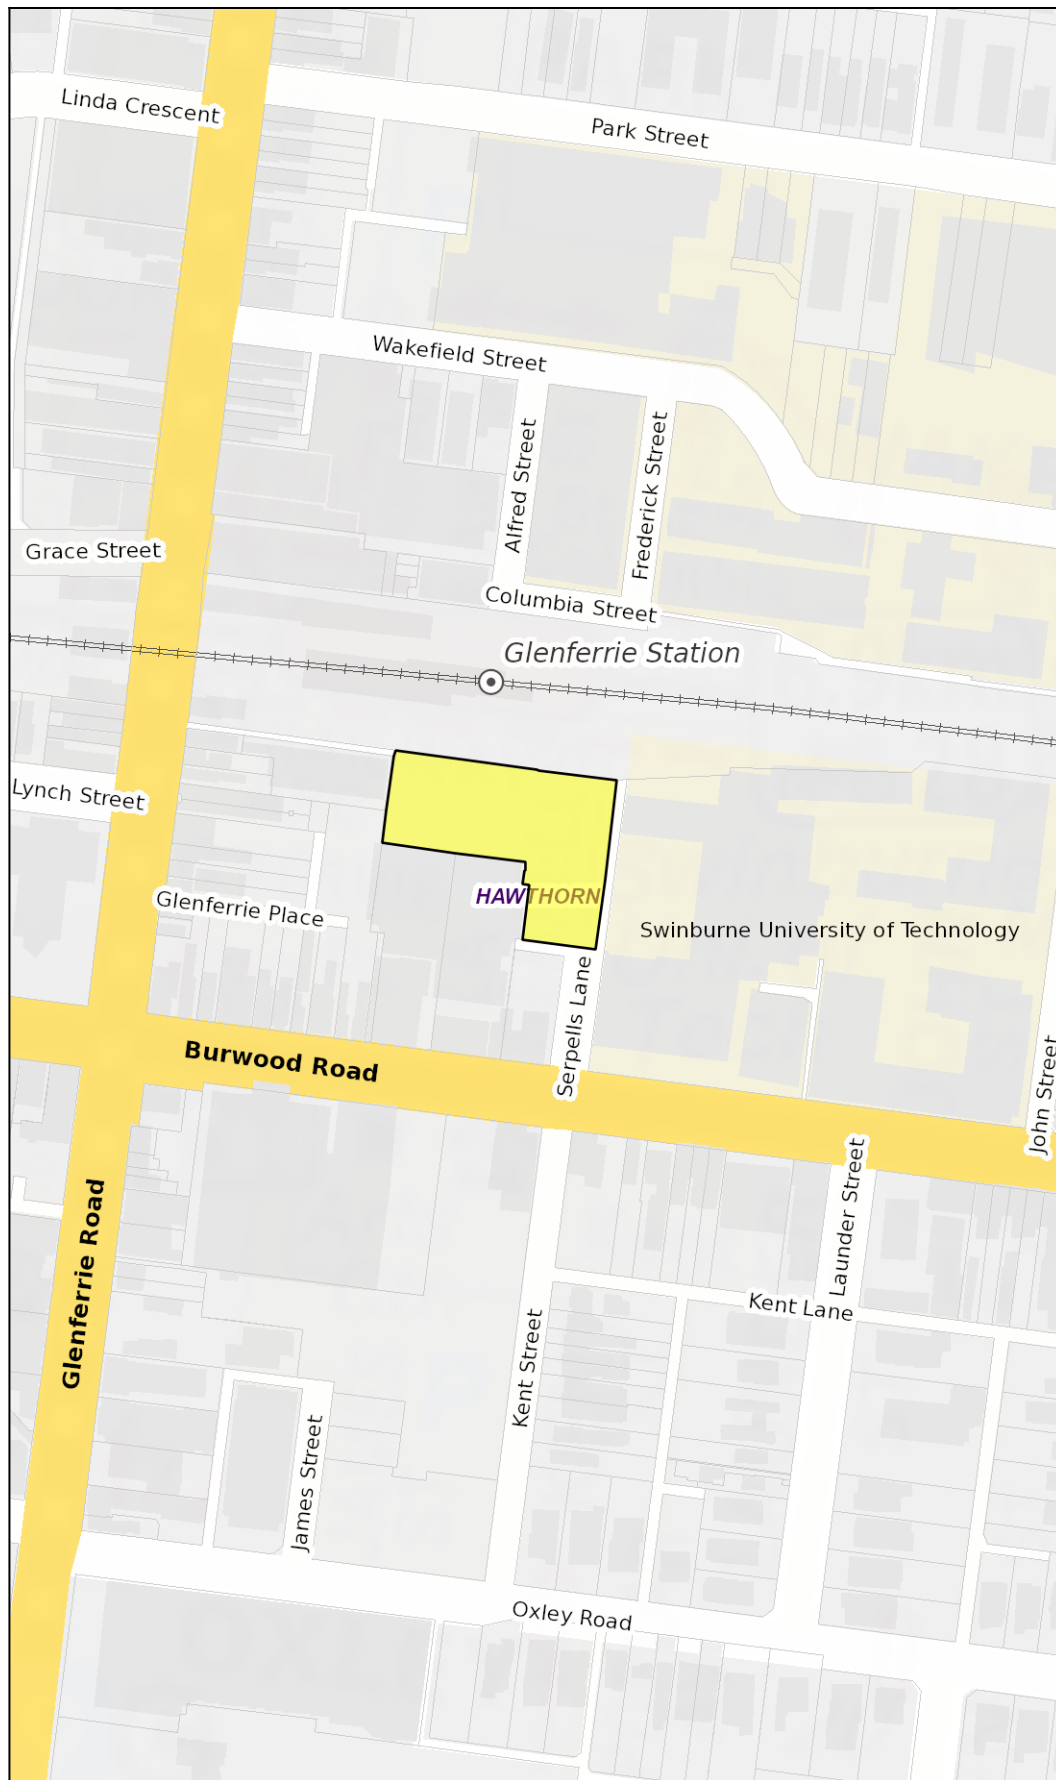

Council's Creating Community Assets principle which states: *Asset substitution can be a source of finance where a newly-created asset consolidates services and the vacated asset becomes available for sale. Analysis of the creation of new assets will also consider contributions to the public realm, environmental and social benefits.*

9. Conclusion

Selling to Swinburne at the offer of \$16,000,000 along with securing a development outcome through a Section 173 Agreement represents a compelling proposition for Council having regard to the valuation and terms of the Section 173 Agreement. It is therefore recommended that Council accept the offer. Research demonstrates the car park is mainly used by Swinburne staff and students. The asset is not required for another Council purpose and the funds derived from its sale create capacity to build new community assets which will enhance the wellbeing of our community. If the Property is sold to Swinburne the uncertainty around application of WGT does not arise. Finally, Swinburne plays an important role in our municipality and arguably offers community benefit beyond that which a private development may create.

7.7 Advisory Committee Terms of Reference

Executive Summary

Purpose

The purpose of this report is for Council to:

- Endorse the Terms of Reference for the Kew Library Redevelopment Streeting Committee (**Attachment 1**);
- Endorse the Terms of Reference for the newly created Civic Awards Assessment Panel (**Attachment 2**);
- Appoint Councillor representation to the Civic Awards Assessment Panel;
- Revoke the Citizen and Young Citizen of the Year Committee and the Volunteer of the Year Assessment Panel.

Background

Boroondara City Council has a number of advisory committees which provide advice to the Council on matters relating to the delivery of strategies, services and activities. Each year Councillors nominate for and are appointed to these advisory committees.

Each advisory committee has a Terms of Reference adopted by Council. The Terms of Reference articulate the scope or purpose of the committee, the composition of the committee and the meeting procedure required to be followed.

Key Issues

At the Council meeting held on 27 February 2023, Councillors resolved to appoint four Councillors to the Kew Library Redevelopment Steering Committee. The current terms of reference for the Kew Library Redevelopment Steering Committee state that there will be a maximum of three Councillors appointed to the committee. Officers recommend updating the terms of reference to align with the increased Councillor representation. The Terms of Reference for the committee is included in

Attachment 1.

At the February Council meeting, Councillors also determined to not appoint Councillor representation to the Volunteer of the Year Assessment Panel and requested officers investigate the amalgamation of this committee with the Citizen and Young Citizen of the Year Advisory Committee. Officers have conducted a review of the terms of reference for both committees and recommend the creation of the Civic Awards Assessment Panel. The Terms of Reference for the committee is included in **Attachment 2.**

With the creation of the Civic Awards Assessment Panel, officers believe that there is no longer a need for either the Citizen and Young Citizen of the Year Committee or the Volunteer of the Year Assessment Panel. It is therefore recommended that both committees and their Terms of Reference are revoked.

Next Steps

Once the Terms of Reference and the Councillor appointments to advisory committee has been adopted by Council, they will be published on the Council website. The terms of reference will be reviewed by officers as required.

Officers' recommendation

That Council resolve to:

1. Endorse the Terms of Reference of the Kew Library Redevelopment Steering Committee, as annexed to the minutes.
2. Endorse the Terms of Reference of the Civic Awards Assessment Panel, as annexed to the minutes.
3. Appoint Councillor _____, Councillor _____ and Councillor _____ to the Civic Awards Assessment Panel.
4. Revoke the Terms of Reference for the Citizen and Young Citizen of the Year Awards and the Volunteer of the Year Assessment Panel.

Responsible officer: **Phillip Storer, Chief Executive Officer**

1. Purpose

The purpose of this report is for Council to:

- endorse the Terms of Reference for the Kew Library Redevelopment Streeting Committee (**Attachment 1**);
- endorse the Terms of Reference for the newly created Civic Awards Assessment Panel (**Attachment 2**);
- Appoint Councillor representation to the Civic Awards Assessment Panel; and
- revoke the Citizen and Young Citizen of the Year Committee and the Volunteer of the Year Assessment Panel.

2. Policy implications and relevance to community plan and council plan

Adopting the Terms of Reference relates to Priority Theme 7: Leadership and Governance in the Boroondara Community plan 2021-2031.

Adopting the Terms of Reference is also consistent with Strategic Objective 7:1: Decision making is transparent and accountable through open governance processes with timely communication and reporting.

3. Background

Kew Library Redevelopment Steering Committee

The purpose of the committee is to act as a sounding board for the project team and provide feedback during the development phase (planning, design, implementation, and commissioning) of the Kew Library Redevelopment.

The Terms of Reference for the Steering Committee were adopted in September 2022. Councillor representation was allocated by resolution on 27 February 2023.

Citizen and Young Citizen of the Year Advisory Committee

The purpose of the committee is to undertake the processes and activities relating to the seeking and assessment of nominations at the annual citizenship ceremony on Australia Day for the Citizen and Young Citizen of the Year awards.

The Terms of Reference for the Advisory Committee were adopted in November 2021. Councillor representation was allocated by resolution on 27 February 2023.

Volunteer of the Year Assessment Panel

The purpose of the assessment panel is to review nominations for the Boroondara Volunteer of the Year awards and make recommendation on award winners in each category.

The Terms of Reference for the Assessment Panel were adopted November 2021. There are currently no Councillor representatives allocated to this Assessment Panel.

4. Outline of key issues/options

At the Council meeting held on 27 February 2023, Councillors resolved to appoint four Councillors to the Kew Library Redevelopment Steering Committee. The current terms of reference for the Kew Library Redevelopment Steering Committee state that there will be a maximum of three Councillors appointed to the committee.

Officers recommend updating the terms of reference to align with the increased Councillor representation; from three (3) to four (4). Officers have reviewed the terms of reference and believe that no other changes are required. The Terms of Reference for the steering committee is included in **Attachment 1**.

At the February 2023 Council meeting, Councillors determined to not appoint Councillor representation to the Volunteer of the Year Assessment Panel and requested officers investigate the amalgamation of this committee with the Citizen and Young Citizen of the Year Advisory Committee.

Officers have conducted a review of the terms of reference for both committees and recommend the creation of the Civic Awards Assessment Panel. The Terms of Reference for the assessment panel is included in **Attachment 2**.

The proposed Civic Awards Assessment Panel does not alter the awards offered by Council, the eligibility criteria or the assessment process. It does streamline the assessment criteria for the Citizen of the Year and Young Citizen of the Year awards as recommended by the Councillors that were on the Committee, as well as ensure consistency in the assessment of the Citizen, Young Citizen, Volunteer and Volunteer Program Innovation Awards.

With the creation of the Civic Awards Assessment Panel, officers believe that there is no longer a need for either the Citizen and Young Citizen of the Year Committee or the Volunteer of the Year Assessment Panel. It is therefore recommended that both committees and their Terms of Reference are revoked.

5. Consultation/communication

No external stakeholder consultation with the community was required given the nature of this report. Internal stakeholders have been consulted on the amendments to the Terms of Reference.

When adopted by Council a copy of the Terms of Reference will be communicated to relevant stakeholders.

6. Financial and resource implications

The costs associated with the review and amendment of the Terms of Reference can be accommodated within the Governance operating budget.

7. Governance issues

No officers involved in the preparation of this report have a general or material conflict of interest requiring disclosure under chapter 5 of the Governance Rules of Boroondara City Council.

The recommendation contained in this report is compatible with the Charter of Human Rights and Responsibilities 2006 as it does not raise any human rights issues.

8. Social and environmental issues

The Kew Library Redevelopment Steering Committee will provide advice and guidance for the renewal of the Kew Library to provide a positive impact on the social wellbeing and community connection across Boroondara.

The City of Boroondara highly values the role of volunteers and residents play in the Boroondara Community. The creation of the Civic Awards Assessment Panel seeks to recognise those individuals who go “Above and beyond” for the benefit of the community.

1 Purpose of the Committee

The Councillor Steering Committee will act as a sounding board for the project team and provide feedback during the redevelopment (planning, design, implementation, and commissioning) of Kew Library.

2 Background

The role of the Steering Committee is to oversee the implementation of the Kew Library redevelopment which is relevant in fulfilling the following themes of the Boroondara Community Plan:

Theme 1 - Your Community, Services and Facilities and

Theme 7 - Civic leadership and Governance:

Strategy 7.2: Ensure transparent decision making through open governance processes.

The Kew Junction Structure Plan (updated 2011) highlights the vision for the area the Kew Library currently operates:

“The Kew Library will expand its role as the ‘learning and information’ focus of the centre. This will include a broad range of community, cultural and social facilities within an upgraded or redeveloped building. The library will have strong connections to the adjoining open spaces of the Alexandra Gardens and Petrie Square, which will remain as highly valued green spaces. ...The buildings of this precinct will be refurbished or redeveloped to introduce exemplary architecture to house the expanded community role.”

3 Composition

The Kew Library Redevelopment Councillor Steering Committee membership will comprise of the following:

- Maximum of ~~three (3)~~four (4) councillors, including the Ward Councillor
- Director Community Support
- Director Places and Spaces

July 2022 | Terms of Reference - Kew Library Redevelopment Councillor Steering Committee

- Other persons may be seconded from time to time to provide input.

The Committee will be convened for the duration of the project.

3.1 Role and selection of Councillor/s

The Steering Committee shall provide feedback to the project team to discuss any issues relating to the project scope, timelines, budget, implementation, and community engagement outcomes prior to reporting to Council (if necessary).

The Steering Committee should:

- Define its information requirements early and ensure that it receives adequate information over the term of the project.
- Receive relevant and timely information on the project from the project team, including progress against schedules, budgets, and milestones, to ensure the committee has sufficient information to offer informed views.
- Prepare for the meetings by reading any background material and asking questions of detailed clarification in advance.
- Provide timely feedback on issues relevant to project decisions.
- Provide guidance regarding translation of key elements of the project brief into the outcomes Council seeks to deliver through the project.
- Discuss items where changes are proposed to the approved project brief or endorsed design.

3.2 Role and selection of Council officer/s

The Community Support Directorate will be responsible for administration of this committee until construction of the project, which will then be convened by the Places and Spaces Directorate.

Officers will be nominated by the Chief Executive Officer or the relevant Director as required to provide advice and administrative support to the Committee.

As the steering committee meeting is considered an 'informal meeting of councillors' under Council's Governance Rules, the officers are responsible for submitting the relevant form to

July 2022 | Terms of Reference - Kew Library Redevelopment Councillor Steering Committee

Council's Governance and Legal Department as soon as practicable, so a record of the meeting can be included in the upcoming Council agenda.

1 Purpose of the Assessment panel

The purpose of the Civic Awards Assessment Panel (the **Panel**) is to assess nominations for the following awards:

- Boroondara Citizen of the Year;
- Boroondara Young Citizen of the Year;
- Boroondara Volunteer of the Year; and
- Boroondara Volunteer Program Innovation Award.

2 Background

Much of Boroondara's connected and inclusive community can be credited to locals who dedicate themselves to bringing people together or helping those in need.

One way that the City of Boroondara recognises and shows appreciation for these people is by presenting these awards.

2.1 Boroondara Citizen and Young Citizen of the Year awards

The annual Boroondara Citizen and Young Citizen of the Year awards recognise individuals from the municipality whose service to our community is exceptional - individuals who demonstrate outstanding leadership or commitment towards improving the lives of others in the community.

The contribution could be a single outstanding achievement in the last year or numerous achievements over many years.

Timing

Nominations usually open in September for 8 weeks with selection by the Panel in December. Award winners are announced at the citizenship ceremony held on Australia Day.

2.2 Boroondara Volunteer of the Year and Volunteer Program Innovation awards

The annual Boroondara Volunteer of the Year Award recognises the efforts of volunteers who make an outstanding positive contribution to the Boroondara community.

Timing

Nominations usually open in **February** for 6 weeks, with selection in April. Nominees and Awards winners are announced at a celebration event during National Volunteer Week in May.

3 Composition

The Panel membership comprises:

- The current Mayor - If the Mayor changes during the selection process, both the new Mayor and previous Mayor (if possible) will be a member of the Panel.
- Up to three (3) other Councillor representatives.
- For the Volunteer of the Year and Volunteer Program Innovation Awards - up to two (2) representatives from Boroondara Volunteer Resource Centre member organisations.

All positions on the Assessment Panel are voluntary and do not attract remuneration.

3.1 Selection of the Panel - Councillors and external members

Council will appoint Councillor representatives to the Panel annually by resolution. The Mayor is elected by Council under the Local Government Act 2020.

Eligible community organisations will be invited to express interest in nominating a person to become a Panel member through an expression of interest. The nomination process shall be conducted by Boroondara Volunteer Resource Centre officers.

The Councillor members of the Panel shall select up to two nominees each term to join Panel. The Panel term coincides with the term of Councillor appointments.

3.1 Role of the Panel

The Panel will consider and discuss each valid nomination received and use a consensus model to select a suitable winner or winners. The Panel assesses nominees against the criteria in Attachment 1 for the Boroondara Citizen and Young Citizen of the Year awards and Attachment 2 for the Boroondara Volunteer of the Year and Volunteer Program Innovation awards.

The Panel may decide not to select a winner for any of the awards in each given year. The Panel may also decide to select multiple winners for any of the awards in each given year or may award a special commendation.

3.2 Role and selection of Council officer/s

The Governance and Legal Department is responsible for the Boroondara Citizen and Young Citizen of the Year Awards. The Manager, Governance and Legal and an officer nominated by that Manager shall support the Panel in respect of these two awards.

The Community Planning and Development Department is responsible for the Boroondara Volunteer of the Year Awards and Volunteer Program Innovation Award. The Boroondara Volunteer Resource Centre Volunteer Support and Development Lead, and any officer nominated by that Lead shall support the panel in respect of these two awards.

Council officers are responsible for Panel meetings including by providing administrative support, background information, advice and tools required for assessment. Officers are also responsible to keep minutes of each meeting which note the rationale for decisions to ensure accountability.

Further officers may be nominated by the Chief Executive Officer or the relevant Director to advise and support the Panel.

Where a meeting of the Panel is considered an 'informal meeting of councillors' under Council's Governance Rules, officers are responsible for submitting the relevant form to Council's Governance and Legal Department as soon as practicable, so a record of the meeting can be included in the upcoming Council agenda.

4 Meetings

4.1 Meeting schedule

Meetings will generally be held annually in December to assess the Citizen and Young Citizen of the Year Awards.

Meetings will generally be held annually in April to assess the Volunteer of the Year and the Volunteer Program Innovation Award.

Additional meetings may be required depending on the number of applications received and the need for further information from applicants.

4.2 Meeting procedure

Meetings will follow standard meeting procedure protocols, which are in summary:

- Commence on time and conclude by the stated completion time;
- Be scheduled and confirmed in advance with all relevant papers distributed (as appropriate) to each member;
- Encourage fair and reasonable discussion, participation, and respect for each other's views
- Focus on the relevant issues at hand; and
- Provide advice to Council as far as possible on a consensus basis.

Any recommendations will generally be developed through consensus after scoring criteria and discussing those scores. Where a matter cannot be agreed the differing opinions should be clearly expressed in the notes of the meeting.

Should disputes occur between members of the Panel, which are unresolvable within a process that the Panel could reasonably be expected to undertake, Council may choose to seek the assistance of independent expertise in order to resolve the dispute.

4.3 Role and selection of the Chairperson

The position of Chairperson will be held by a Councillor and will be selected by the Panel.

The Council officer responsible for the Panel must facilitate the election of the Chairperson. At the first meeting of the Panel, the Council officer will invite nominations for the Chairperson. Voting must be carried out by show of hands.

The Chairperson is responsible for chairing the meetings and collating committee members recommendations for the Awards. If the Chairperson is not present at a meeting, any other Councillor may be appointed as temporary Chairperson.

4.4 Public attendance at meetings

The Panel is not required to give public notice of its meetings which are not open to the public.

4.5 Reports, agendas, and notes

An agenda will be electronically circulated by officers to all Panel members no less than 48 hours prior to each meeting.

Notes of the meetings should be taken by officers. The notes must:

- contain details of the proceedings and recommendations made;
- be clearly expressed;
- be self-explanatory; and
- be provided to Panel members as soon as practicable after the meeting.

Agendas and notes from meetings are not required to be made available to the public, unless required by law or Council's Public Transparency Policy.

4.6 Budget and resources

The Panel has no budgetary allocation from Council (this includes budget for the payment of fees for external members or presenters).

4.7 Assessment criteria

Nominations are assessed for eligibility and merit based on the criteria and guidance contained in:

- Attachment 1 - Boroondara Citizen and Young Citizen of the Year
- Attachment 2 - Boroondara Volunteer of the Year and Volunteer Program Innovation Award

The Panel cannot make recommendations outside the scope of its terms of reference including Attachment 1 and Attachment 2.
