# 7.2 Instrument of Appointment and Authorisation -Environment Protection Act 2017 & Planning and Environment Act 1987

# **Executive Summary**

#### Purpose

This report brings to two Instruments of Appointment and Authorisation under the *Environment Protection Act 2017* and the *Planning and Environment Act 1987* to consider executing. These Instruments propose to appoint and authorise staff in the Urban Living Directorate to regulate:

- On-site wastewater management systems not exceeding 5000 litres on any day; and
- Noise from construction, demolition and removal of residential premises.

### Background

Maddocks recommend that officers enforcing the *Planning and Environment Act 1987* be authorised by Council resolution and for relevant Instruments of Appointment and Authorisation to be refreshed regularly.

To ensure that the Instruments are up to date and account for staffing changes within the organisation, officers undertake a review of the Instruments bi-annually. The last review of this Instrument occurred in December 2023. Council last adopted an Instrument of Appointment and Authorisation under the *Environment Protection Act 2017* in February 2024.

There were no legislative changes relevant in the current review requiring change to the Instruments. The changes to the Instruments relate to staffing arrangements in the Urban Living Directorate.

#### Key Issues

Officers present a refreshed Instrument of Appointment and Authorisation under the *Environment Protection Act 2017* (**Attachment 1**), and an Instrument of Appointment and Authorisation under the *Planning and Environment Act 1987* (**Attachment 2**) for adoption.

#### Next Steps

The Instruments will be refreshed as needed to ensure any staffing changes within the Urban Living Directorate are captured.

# **Officers' recommendation**

- 1. In the exercise of the power conferred by s 242(2) of the *Environment Protection Act 2017* and the Instrument of Delegation of the Environment Protection Authority under the Act dated 4 June 2021, Boroondara City Council resolves that:
  - a) The members of Council staff referred to in the Instrument (**Attachment 1** as annexed to the minutes) be appointed and authorised as set out in the Instrument.
  - b) The Instrument comes into force immediately upon the common seal of Council being affixed to the Instrument and remains in force until Council determines to vary or revoke it.
  - c) The Instrument be sealed.
- 2. That Council resolve, in the exercise of the powers conferred by section 224 of the Local Government Act 1989 (Vic) and the other legislation referred to in the attached Instrument of Appointment and Authorisation, that:
  - a) The members of Council staff referred to in the Instrument of Appointment and Authorisation (**Attachment 2** as annexed to the minutes) be appointed and authorised as set out in the Instrument.
  - b) The Instrument of Appointment and Authorisation comes into force immediately upon the common seal of Council being affixed to the Instrument and remains in force until Council determines to vary or revoke it.
  - c) The instrument of Appointment and Authorisation be sealed.

#### **Responsible director:**

#### Phillip Storer, Chief Executive Officer

#### 1. Purpose

The purpose of this report is for Council to review and adopt the Instrument of Appointment and Authorisation under the *Environment Protection Act 2017* (**Attachment 1**), and the Instrument of Appointment and Authorisation under the *Planning and Environment Act 1987* (**Attachment 2**).

2. Policy implications and relevance to community plan and council plan The Instruments relate to Theme 7: Leadership and Governance in the Boroondara Community Plan 2021-2031.

The Instruments are also consistent with Strategic Objective 7.1: Decision making is transparent and accountable through open governance processes with timely communication and reporting.

#### 3. Background

Instrument of Appointment and Authorisation empower relevant staff to exercise the powers granted to authorised officers by legislation or a local law.

The Instruments of Appointment and Authorisation prepared for Council's consideration is based on advice from the Maddocks Authorisations and Delegations Service.

Maddocks recommend that officers authorised under the *Planning and Environment Act 1987* and *Environment Protection Act 2017* be authorised by Council resolution and that the Instruments of Appointment and Authorisation be refreshed on a regular basis. The Instruments are reviewed by Governance as required to ensure they are up to date. The previous reviews occurred in September and October of 2023.

The *Environment Protection Act 2017 and Environment Protection Regulations 2021* came into effect on 1 July 2021.

Council received formal notifications from the EPA in June 2021 to advise that they had delegated new powers to councils under the Act. The delegation applies to the regulation of:

- On-site wastewater management systems not exceeding 5000 litres on any day; and
- Noise from construction, demolition and removal of residential premises.

#### 4. Outline of key issues/options

By virtue of section 437(2) of the Act, Council has the power to sub-delegate the powers contained in the EPA's Governing Board approved Instrument of Delegation to members of Council Staff.

Where Council has sub-delegated EPA powers and functions under s 437(2) of the Act, the members of Council staff must be authorised officers under s 242(2) of the Act. As such, an Instrument of Appointment and Authorisation authorising officers from the Civic Services Department has been prepared at **Attachment 1** to this report.

A delegate must comply with the conditions of delegation as well as any policies of Council and any legislative framework. Council can still exercise any delegated power, duty or functions itself by resolution in the Chamber. Further, authorised officers must exercise the powers in accordance with the EPA's approved Instrument of Direction.

The Instrument of Appointment and Authorisation under the *Planning and Environment Act 1987* authorises officers from the Planning and Placemaking Department. A copy of the Instrument is at **Attachment 2**.

The attached Instrument of Appointment and Authorisation under the *Environment Protection Act 2017* (**Attachment 1**) and Instrument of Appointment and Authorisation under the *Planning and Environment Act 1987* (**Attachment 2**) are recommended for the effective and efficient operations of Council's activities, as well as to enable routine and administrative tasks to be carried out with consistency and certainty.

To ensure that the Instruments are up to date and account for staffing changes in the organisation, officers undertake a review of the Instruments bi-annually. There were no legislative changes relevant to the current review, as such the changes merely capture changes in staffing arrangements in the Urban Living Directorate.

#### 5. Consultation/communication

Council subscribes to the Maddocks Authorisations and Delegations Service, which provides advice regarding legislative amendments and template instruments.

Consultation with the Urban Living Directorate has taken place in preparation of the proposed Instruments.

#### 6. Financial and resource implications

The costs to prepare and adopt the revised Instruments are minimal and will be met within the current Governance and Legal departmental budget.

#### 7. Governance issues

No officers involved in the preparation of this report have a general or material conflict of interest requiring disclosure under chapter 5 of the Governance Rules of Boroondara City Council.

The recommendation contained in this report is compatible with the Charter of Human Rights and Responsibilities 2006 as it does not raise any human rights issues.

#### 8. Social and environmental issues

Effective and efficient delegations and authorisations will reinforce public confidence in the integrity of Council's decision-making processes and in the Council's ability to ensure good corporate governance within the municipality.
