

## 7.2 2020-21 Annual Community Strengthening Grant Allocations

### Abstract

This report contains the recommendations of the Community Strengthening Grants Assessment Panel for the allocation of 2020-21 Annual Community Strengthening Grants up to \$10,000. The total funding pool this year is \$547,152.75 with 75% or \$410,364.56 allocated to the Annual Grants up to \$10,000 and \$136,788.19 (25%) allocated to the Small (Biannual) Grants up to \$3,000. The Rotary Club of Balwyn contributed \$151,200.75 in accordance with the condition of the lease for the Camberwell Sunday Market, and Council contributed the balance. .

The Panel has recommended funding allocations that closely align with Council's strategic objectives and priorities. The recommended applications focused on new activities and projects, which will increase capacity, sustainability and participation in local organisations and deliver practical community strengthening outcomes.

Council officers from eight Council departments provided support and advice to applicants to strengthen the development of their proposals.

The Panel recommended full or partial funding for 62 applications out of a total of 70 applications received. The total amount allocated by the Panel is \$292,407.07 with \$117,959.49 remaining.

The Panel requested that the remaining funds of \$117,959.49 be allocated to the COVID-19 Community Response Grants, and the second round of the Small (Biannual) Grants opening towards the end of 2020. As both grants will be funded within the Annual Community Strengthening Grants budget for 20-21, no formal Council endorsement is required.

Confidential information is contained in **Attachments 1 and 3**, as circulated in the confidential section of the agenda attachments.

This attachment is confidential information for the purposes of section 3(1) of the *Local Government Act 2020*:

- (a) because it is Council business information, being information that would prejudice Council's position in commercial negotiations if prematurely released (section 3(1)(a)); and
- (b) because it is personal information, being information which if released would result in the unreasonable disclosure of information about a person of their personal affairs (section 3(1)(f)); and
- (c) these grounds apply because these Attachments concern the ongoing allocation of grants that would, if prematurely released, diminish the strength of Council's position in regard to its final decision about the allocation of the grants.

This item is included in the public agenda to facilitate transparency and accountability in Council's decision making.

If discussion of the confidential information in the attachment to this report is required in order for Council to make a decision, this item will be deferred to the confidential section of the agenda.

## **Officers' recommendation**

That Council resolve to:

1. Endorse the Annual Community Strengthening Grants 2020-21 funding recommendations (as provided in Attachment 2, annexed to the minutes).

**Responsible director:**     **Carolyn McClean**

## 1. Purpose

This report seeks Council endorsement of the recommendations of the Community Strengthening Grants Assessment Panel for the 2020-21 Annual Community Strengthening Grants up to \$10,000.

## 2. Policy implications and relevance to community plan and council plan

### Boroondara Community Plan 2017-27

The Boroondara Community Plan 2017-27 is Council's key strategic document and it describes the community's 10-year vision and priorities. It guides Council's decision making, and directly informs the Council Plan, budget processes, and Council strategies, plans, policies and actions.

The Boroondara Community Plan is structured around seven themes our community told us were important to them and each includes a strategic objective describing the outcomes we are seeking to achieve. The three strategies of relevance for this report are:

Strategy 1.3 under the Priority Theme of Your Community, Services and Facilities.

*Deliver, facilitate and advocate for services and programs that promote health, wellbeing, safety and a sense of community.*

Strategy 1.8 under the Priority Theme of Your Community, Services and Facilities.

*Facilitate and produce diverse arts and cultural programs to provide entertainment and increase participation in community life for residents and tourists.*

Strategy 3.1 under the Priority Theme of Your Environment.

*Build community capacity to live sustainably through efficient use of energy and water, resource recovery and renewable energy generation.*

Strategy 6.3 under the Priority Theme of Your Local Shops and Businesses.

*Showcase and promote the City's attractions to increase visitation and spending locally.*

### Council Plan

The Boroondara Council Plan 2017-21 vision is a vibrant and inclusive city, meeting the needs and aspirations of its community. As noted above, the relevant themes for this report are:

- Priority Theme One: Your Community, Services and Facilities.
- Priority Theme Two: Your Environment
- Priority Theme Six: Your Local Shops and Businesses

The allocations recommended by the Community Strengthening Grants Assessment Panel also support commitments contained in the Boroondara Arts Plan, the Multicultural Action Plan 2019-23, Disability Action Plan 2018-22, Add life to your years - Healthy Ageing in Boroondara Plan, Sport and Recreation Strategy, Our Low Carbon Future Strategy, the Integrated Water Management Strategy 2014-24, the Urban Biodiversity Strategy 2013-23, the Bicycle Strategy, the Integrated Transport Strategy 2006-2026, the Waste Minimisation and Recycling Strategy, and the Sustainable Buildings Policy and Landscape Guidelines.

### 3. Background

#### Program overview

The Annual Community Strengthening Grants Program (Annual Grants) provides limited but important financial support for projects and equipment costs associated with the delivery of new one-off services, programs and activities that strengthen Boroondara's community. There are six streams in the Annual Grants Program, each with objectives outlined in the 2020-21 Grant Guidelines, and shown in Table 1 below.

**Table 1**

Stream	Description	Objectives
Active Community	Accessible recreation, sport and physical activity opportunities catering for the diverse and changing needs of the community along with education, training and capacity building for groups and clubs.	<ul style="list-style-type: none"> <li>• Provide new and innovative opportunities for local sport and physical activity</li> <li>• Enhance participation in both structured (e.g. team sports) and non-structured (e.g. walking and cycling) sport and recreation opportunities for a diversity of residents</li> <li>• Encourage clubs to be self-sustainable (e.g. specialist coaching clinics, sustainable sport club ideas, club governance or admin skills).</li> </ul>
Life Long Community	Opportunities for older people (aged 55+) of all abilities, interests and cultural backgrounds to participate in group activities, enhance wellbeing and foster connections in the local community. They enable clubs to encourage their members to be socially active and lead healthy lifestyles.	<ul style="list-style-type: none"> <li>• Enhance older peoples' health and wellbeing and participation in the community</li> <li>• Improve older peoples' access and mobility around the community</li> <li>• Enhance social cohesion, promote strong community networks of mutual support and reduce social isolation.</li> </ul>
Creative Community	Diverse arts and cultural programs, festivals, events and activities that articulate and enhance arts, culture and heritage practice across Boroondara.	<ul style="list-style-type: none"> <li>• Increase community participation in arts and cultural activities</li> <li>• Encourage local cultural expression and development of artistic practice</li> <li>• Facilitate the engagement of the Boroondara community with arts and cultural organisations</li> <li>• Encourage projects that target space activation (in both community facilities and open spaces) and/or</li> </ul>

		focus on new and emerging art forms.
Healthy Community	Projects and activities that promote safety, good health and wellbeing of individuals, families and community groups, across all ages, abilities and cultural backgrounds.	<ul style="list-style-type: none"> <li>• Promote health and wellbeing activities</li> <li>• Build connected and inclusive communities</li> <li>• Support programs and activities that enhance community safety.</li> </ul>
Vibrant Retail Precincts	Projects and activities that increase the vibrancy and functionality of retail precincts, enhance a sense of community and pride, and promote a 'buy local' ethos.	<ul style="list-style-type: none"> <li>• increase visitation and spending locally by promoting and showcasing the unique attributes and strengths of a retail precinct</li> <li>• strengthen the connection between people, local community groups and retail precincts</li> <li>• promote a sense of pride in the retail precinct</li> <li>• encourage participation in community life and enhance health and wellbeing</li> <li>• re-imagine and activate spaces to create memorable and social experiences where people feel a sense of belonging</li> <li>• showcase the skills and talents of the local community</li> <li>• promote and expand the local night-time economy.</li> </ul>
Sustainable Community	Projects and programs that encourage and enable sustainable living, reduce carbon emissions, less waste to landfill, biodiversity protection, waterway health, urban agriculture, walking and cycling.	<ul style="list-style-type: none"> <li>• Increase community awareness and understanding of priority environmental issues and solutions</li> <li>• Encourage the adoption of sustainable living behaviours and practices within the local community</li> <li>• Achieve specific environmental benefits, including sustainable resource use; reduce waste to landfill; biodiversity protection; healthy waterways; walking and cycling; local and sustainable food production and distribution.</li> </ul>

#### Support provided to applicants

Council provides various forms of support to assist applicants in preparing and submitting an application. These supports result in improved project applications, which demonstrate greater focus and alignment with Council priorities.

Council officers from eight departments provided support and advice to applicants to strengthen their proposals. Due to COVID-19 restrictions there were no face-to-face workshops and so advice was provided over the phone.

Personalised SmartyGrants training via telephone was also available to support applicants in the online application process.

Even with the support provided to applicants, some organisations and groups had difficulty completing the project budget in accordance with the grant requirements. Officers did a pre-eligibility check for each application, and where there were problems with budgets, or non-compliance issues, officers followed up with the applicants to seek further information. Despite this, some applications were assessed where budgets were non-compliant and this was reflected in the officer recommendation and the panel's deliberations.

#### Assessment process

Council officers assessed all applications on the basis of the criteria provided in the program guidelines, and provided advice to the Community Grants Assessment Panel ('the Panel') using a rating scale from 0 to 10, with scores assigned to one of the following four categories: Highly recommended overall (81% - 100%); Good overall (66% - 80%); Fair only (50% - 65%); and Not recommended overall (under 50%).

The Panel considered this advice and the ratings. Its recommendations are based on the merits of each application, the application of program guidelines and an analysis of the financial investment against the potential community benefit from the project.

The Panel comprised four Councillors (Healey, Ross, Sinfield and Wegman) and two Balwyn Rotary Club representatives. Three officers from the Community Planning and Development Department provided executive support to the Panel. Relevant department managers and officers also attended the meetings to provide additional advice to the Panel. A full list of attendees is listed in **Confidential Attachment 1**.

#### **4. Outline of key issues/options**

A total of 70 applications were received, requesting \$436,797.97. Table 2 shows the community demand for funding compared to the funding allocated.

**Table 2**

Grant category	Total applications received	Total amount requested	Total Funding Pool	Funded amount
Annual Grants	70	\$436,798	\$410,364	\$292,405

The Panel recommended a total allocation of \$292,405.07 to support 62 applications across the six streams. Of these, 31 applications were recommended for full or more funding and 31 applications were recommended for partial funding. The panel made recommendations to award two applications more than the amount requested in the Healthy Community and Sustainable Community streams. As per the 2020-21 Annual Community Strengthening Grants Guidelines, 'the Grants Assessment Panel is able to make recommendations to Council that may be outside the guidelines if it believes important community outcomes can be achieved.'

The Panel has recommended applications that align with Council's strategic objectives and priorities, and deliver outcomes in alignment with the grant stream objectives outlined in the 2020-21 Grant Guidelines, as noted earlier in the report.

The recommended applications are focused on new activities and projects, which will increase capacity, sustainability and participation in local organisations and deliver practical community strengthening outcomes.

Two applications were withdrawn by applicants, and six applications were not recommended for funding by the Panel. These applications are listed in **Confidential Attachment 3**.

The Panel requested that the remaining unexpended grant funds of \$117,959.49 be allocated to the COVID-19 Community Response Grants, and the second round of the Small (Biannual) Grants opening toward the end of 2020. As both grants will be funded within the Annual Community Strengthening Grants budget for 20-21, no formal Council endorsement is required.

## 5. Consultation/communication

The Annual Grants program was promoted widely through the *Progress Leader*, the *Boroondara Bulletin*, the *Epoch Times*, *The Fuse* e-newsletter, Council's social media and the City of Boroondara website from 2 March to 19 April 2020, which included a step-by-step guide to assist community groups and organisations in submitting an application.

## 6. Financial and resource implications

As noted earlier, the total funding pool this year is \$547,152.75 with 75% or \$410,364.56 allocated to the Annual Grants up to \$10,000 and \$136,788.19 (25%) allocated to the Small (Biannual) Grants up to \$3,000. The Rotary Club of Balwyn contributed \$151,200.75 in accordance with the condition of the lease for the Camberwell Sunday Market, and Council contributed the balance

This year \$292,405.07 has been allocated for Annual Grants (up to \$10,000) from the available funds of \$410,364.56. The Panel requested the remaining grant funds of \$117,959.49 be allocated to the COVID-19 Community Response Grants, and the second round of the Small (Biannual) Grants opening toward the end of 2020.

## 7. Governance issues

The implications of this report have been assessed in accordance with the requirements of the Victorian Charter of Human Rights and Responsibilities.

The Panel met on three evenings between 1 and 15 July 2020. Mr Ed Rayment, a Balwyn Rotary Club representative, declared a Conflict of Duty with Balwyn Evergreen Centre. Mr Rayment left the meeting while the Assessment Panel reviewed this application.

Conflict of interest declarations for all Panel members and officers are listed in **Attachment 2**.

## 8. Social and environmental issues

The outcomes from the 62 applications recommended for funding will have a positive social, economic and environmental impact within the Boroondara community.

The applications recommended will build connected and inclusive communities, strengthen community wellbeing, environmental awareness, cultural innovation and artistic practice and deliver services, celebrations and events initiated by local retail traders.
