

Fence - Timber Post and Mesh

City of Boroondara - Design Standards

Supply and Installation Details

Material Code: **FE04**

Materials

Post: 115 x115 F7 seasoned K.D white Cypress Pine dressed all around. Top of post pyramid bevelled and sanded smooth.

Rail: 48mm diameter x 3.6 mm pipe galvanised and powder coated black gloss

Mesh: black PVC coated chain link mesh fixed to pipe rails with spiralled wire threaded through edge of mesh panel. Fixed to posts with vertical wire or stainless steel rod threaded through edge of mesh panel and fixed to the bollards with saddles and timber screws.

Note: use zinc coated saddles and timber screws. Fence should be designed to suit a standard 6.5m rail length. Provide gaps for pedestrian access at regular intervals as advised by project superintendent.

Detail: (Not to scale)
