

SECTION C-C
RECTANGULAR LID
TYPE 2 (SIDE ENTRY PIT)
(MEDIUM DUTY)

NOTES

1. Medium Duty Covers are for Shoulders and Off Road use.
2. Medium Duty Covers are required to support a test load of 100kN without permanent deformation or damage (Refer Specification).
3. All Lids shall have weight and capacity imprints
4. All Lids shall be flush and have provision for lifting.
5. Anchorage must be provided to ensure that frames and lids do not come loose under traffic.
6. External edges of Concrete Covers shall have 10 x 10 chamfers (except Lids and Lid Rebates.)
