

Hard waste collection

Residents of the City of Boroondara can book **two hard rubbish collections each financial year**.

Businesses and residential properties with a private waste collection are not eligible.

Preparing for your collection

Place your sorted piles of hard waste on the nature strip in front of your property. You don't need to be home on your collection day but we do need clear access, so try to avoid parking cars next to the waste. You'll receive a dated BOOKED sticker in the mail. Place this in a prominent position on your collection so that it is visible from the road.

Size Your total collection should not be more than two cubic metres (the equivalent of two 6ft x 4ft trailer loads). Each item must not be longer than 1.5 metres.

Weight Our collection officers work in pairs; if the item is too heavy to be safely lifted by two people to shoulder height, it will not be accepted.

Uncollected items may attract a littering or Local Laws fine. It is your responsibility to remove them.

No more than two cubic metres in total, in four separate piles.

These piles may be collected on the same day by different trucks.

When do I put the collection out?

Hard rubbish must not be placed out any earlier than **48 hours** before your collection. This helps keep your street tidy and is a courtesy to your neighbours.

Don't forget!

Please ensure your material is out for collection by 5am on your collection day.

If not out in time, a return collection will not be made and you will lose your booking.

Change your mind?

If you want to change or cancel your booking, it's important that you give us at least two business days' notice, so you don't lose your booking. You can either call **9278 4444** or email boroondara@boroondara.vic.gov.au
